

**GUIDELINES FOR SEEKING PERMISSION  
TO BARRICADE A TOWNSHIP STREET**

1. A Petition signed by at least ninety (90) percent of the households of the block represented must be forwarded to the Upper Darby Township Council office at the above address at least three (3) weeks prior to the scheduled day of party.
2. Time permitted for street closure is 10:00 A.M. to 8:00 P.M. on the day of closure. At all times the street must be accessible to emergency vehicles.
3. The petition will name an individual or individuals to be contacted in the event any problems occurring concerning the time the street is closed.
4. Council's office will recommend to the Mayor's Office, as soon as possible prior to the scheduled date, whether or not a permit to close the street should be issued. The responsible person on the petition and the local councilperson will be notified accordingly.
5. A SPECIAL PERMIT will be necessary if live bands or amplified music are used during the time the street is closed.
6. State highways and/or bus routes may not be closed. Vehicles of any type may not be used to block off any street. Wooden barricades or trash containers are permitted for this purpose. (All trash must be cleared from the street at conclusion of the event.)
7. The Laws of the State of Pennsylvania and the ordinances of the Township of Upper Darby concerning excessive noise, alcoholic beverage consumption, disorderly conduct, etc. must be adhered to at all times. Fireworks are not permitted at any time. If while the street is closed it is determined that underage drinking was allowed or if the police are called to the street and a file a disturbance report, future permits may not be allowed.
8. If and when complaints are received regarding the street closure, the Police Department will act accordingly.
9. The Township will permit the closure of any street only once during the calendar year.
10. Whenever possible the Township will provide barricades for the closing of the street.
