Mayor Thomas N. Micozzie

Mayor Micozzie: I am pleased to provide a Proclamation to the Greek Community.

Presentation of Proclamation for Greek Independence Day

PROCLAMATION

The Greek people unveiled their national flag and declared their independence on March 25, 1829 from almost four hundred years of domination by the Ottoman Empire. Although well equipped and supplied the spark of liberty and zest for life and freedom made the Greeks victorious after many years of anguish.

The Greek struggle for independence has been a light of inspiration for all oppressed nations seeking self-determination and liberty. The nation of Greece and all Americans of Greek ancestry will be marking this historic occasion by celebrating their 193rd anniversary of Greek Independence Day with commemorative ceremonies to be held on Saturday and Sunday, March 22nd and 23rd 2014. During this historic occasion the nation of Greece should be recognized for the achievements by Greeks in arts, literature, science, mathematics, architecture, music and sculpture. All our residents of Greek ancestry should take special pride in their inspiring and long standing heritage.

Therefore, I Thomas Micozzie, Mayor of Upper Darby Township, along with our council proclaim March 22 and March 23, 2014, as

Greek Independence Day
in Upper Darby Township. I urge the citizens of this township to join in honoring the nation of Greece and our Greek friends and neighbors for the observance of this historic day.

Mayor Micozzie: I will be presenting this to the Greek community on Sunday. I've been invited to walk with them at the Parkway and then for festivities afterwards. I will make sure the Greek community is read this proclamation from council.

2014 State of Affairs Report

I am pleased to report the 2014 State of Affairs report for Upper Darby Township is positive and today, snow free. The positive growth of our commercial corridor along 69th Street and in other key areas in the Township confirm that good things are happening in the Upper Darby community. However, as the sixth largest municipality in the Commonwealth, there remain many challenges facing the Township.

Many urban municipalities struggle with revenue sources to fund the vast array of municipal services provided. Upper Darby Township’s revenue stream relies primarily on the collection of real estate taxes as well as the collection of permitting and licensure fees to fund the many Township provided services. As a former chairman of the Council’s Public Safety Committee and a volunteer fire chief, I certainly understand and appreciate the need for a strong Public Safety presence in our community. Understandably, the largest annual Township expense is attributed to our Police and Fire Departments in order to maintain our strong and safe Upper Darby community. In fact, in 2013 the Police and Fire Department budget accounted for 53% of the entire Township expenses.

My administration continues to vigorously monitor and streamline the Township’s fiscal affairs by setting new goals and carefully reviewing each and every budget line item and exploring each and every available cost saving technique. The administration is continually refining and strengthening our financial policies. This winter has been challenging to the Township in several ways. First, I want to thank the Township staff for their repeated hard work in snow removal. Secondly, my administration will continue to evaluate the 2014 winter storm costs and work to reduce the financial impact of the storm costs on the year end budget.

Similar to many municipal governments, the Township faces the constant challenge of rising labor, pension and health care costs. The administration continues to explore cost containment measures for these rising expenses with our providers.

As Mayor, I was tremendously pleased to learn that the Township’s Moody & Poor’s bond rating was upgraded to AAA+. The bond rating upgrade represents a significant recognition of the administration’s strengthened fiscal policies and spending practices. I am also greatly encouraged by the increased investment in our community by many large retailers, investors and small business owners who believe in the strength and vitality of the Upper Darby community.
I am pleased to say that Upper Darby Township was recently recognized by the Delaware County Chamber of Commerce as a 2013 municipal leader in business development – a clear acknowledgement of the township’s business friendly approach to development and job creation. My administration will continue to work diligently to encourage additional retail and business development in Upper Darby Township.

One of the most positive attributes of our community remains our Township residents whose dedication to and pride of our community continues to make Upper Darby a recognized vibrant place to live, work and raise a family. As Mayor, I will continue our focus on property maintenance responsibilities for both property owners and tenants.

I am declaring April to be Community Clean-Up Month. I am asking Council to join me in encouraging our residents to give a little extra attention to cleaning up the neighborhoods where they live and work. I encourage all residents to lend a hand to this spring cleaning effort. I also want to make the community aware of the important upcoming community sponsored events offered to assist in our spring cleaning:

- The Township Recycling and Shred-It Day on April 12, 2014 from 9:00 a.m. to noon at Upper Darby High School;
- On April 26, 2014 from 10:00 a.m. to 2:00 p.m. at the Upper Darby High School the Upper Darby Police Department will participate in the “Eightieth National Take-Back Initiative” where residents can drop off unused medication for safe disposal; and
- The Annual Darby Creek Stream cleaning day on April 26, 2014.

It has been a long and brutal winter and I know everyone is very much looking forward to glorious spring days to come.

In the months ahead, I will continue to provide community meetings throughout each neighborhood to get resident input. I very strongly believe in receiving your valuable community input as critical decisions are made and firmly believe these meetings provide a great forum to receive such input.

As always, I thank you for your continued support and I look forward to a successful upcoming year.

Mr. Bonnett: Thank you, Mayor. We will proceed with the Committee Reports, Finance and Appropriations Committee, Mr. Wagner, please.
