Motion for a land development for Thomas Thornton to convert a house into a dentist office with residential use on second floor with the construction of a paved parking area; situate 626 Burmont Road. Folio No: 16-11-00695-00

Mr. Bierling: Thank you Mr. Bonnett. I would like to ask the Solicitor to give us a brief on the land development.

Solicitor: This is a land development for Thomas Thornton to convert a house into a dentist office with residential use on second floor with the construction of a paved parking area; situate 626 Burmont Road. Folio No: 16-11-00695-00
Mr. Bierling: Thank you. At this time, I move for the approval of this land development.

Mrs. Crawford: Seconded.

Mr. Bonnett: Moved and seconded. All those in favor, signify by saying aye. Opposed? The ayes have it.

Mr. Bierling: Mr. Bonnett, while I have the floor I would also like to bring up business relating to Ordinance No. 3020. Our committee met 3 times with several members of the Suburban Realtors Alliance on this issue. We are still actually working on it. I know I did put a date on the table to March 18th and I’d like to remove that date and just leave it on the table. I’d like to make a motion for that.

Mr. Bonnett: So, your motion is for an indefinite postponement?

Mr. Bierling: Yes.

Mr. Bonnett: OK, is there a second?

Mrs. Crawford: Second.

Mr. Bonnett: Moved and seconded. All those in favor, signify by saying aye. Opposed? The ayes have it. The next committee is the Leisure Services Committee, Mr. Monaghan please.

Resolution No. 07-15, a Resolution of Upper Darby Township, Delaware County, Pennsylvania authorizing the filing of an application to the 2014 PECO Green Region Open Space Program for the development of conceptual designs for the Michele Park, Aberdeen Road Park and Guilford Road Park Project

Mr. Monaghan: Thank you Mr. Bonnett. I would like to ask the Solicitor to give us a brief on Resolution No. 07-15.

Solicitor: Certainly. Resolution No. 07-15 is a Resolution of Upper Darby Township, Delaware County, Pennsylvania authorizing the filing of an application to the 2014 PECO Green Region Open Space Program for the development of conceptual designs for the Michele Park, Aberdeen Road Park and Guilford Road Park Project.

Mr. Monaghan: I move for the adoption of Resolution No. 07-15.

Mrs. Crawford: Seconded.
Mr. Bonnett: Moved and seconded. Comment?

Mr. Gwin: I have a question. If I understand this correctly, none of these funds will be actually used for the improvements of the parks at this point in time. This is only for the conceptual drawings. Is that correct?

Solicitor: It appears that way. It is for conceptual designs, yes.

Mr. Gwin: So it’s $20,000 for the conceptual designs.

Solicitor: No, $10,000.

Multiple people speaking at the same time.

Mr. Gwin: …two. The grant that we’re asking from PECO so that’s $20,000.

Mr. Bonnett: This is a motion to file an application for that grant.

Mr. Gwin: I guess what I’m trying to say is that restricted only for ----------

Mr. Judge: The PECO grant has a restriction that it is only for design. It cannot be used for construction. The grant itself is a design grant and we cannot use it for construction.

Mr. Gwin: And we have to commit to matching $10,000.

Mr. Judge: We have to commit a matching number, yes that is correct.

Mr. Gwin: And it also going to go toward the design.

Mr. Judge: To go to the design, yes. I guess I don’t understand the question. The grant is for design. The PECO grant does not give construction money. It is for design. So, we are using the money for design. If the design is more than the grant, then we have to match it. But, it is the restriction of the grant, not our restriction, that is only for design.

Mr. Gwin: Thank you for clarifying that.

Mr. Bonnett: Moved and seconded. All those in favor, signify by saying aye. Opposed? The ayes have it.

Resolution No. 08-15, a Resolution of Upper Darby Township, Delaware County, Pennsylvania approving the leasing of certain real estate located at 13 Creek Road, Upper Darby Township.

Mr. Monaghan: I would like to ask the Solicitor to give us a brief on Resolution No. 08-15.
Solicitor: Yes. Resolution No. 08-15 is a Resolution of Upper Darby Township, Delaware County, Pennsylvania approving the leasing of certain real estate located at 13 Creek Road, Upper Darby Township.

Mr. Monaghan: I move for the adoption of Resolution No. 07-15.

Mrs. Crawford: Seconded.

Mr. Bonnett: Moved and seconded. All those in favor, signify by saying aye. Opposed? The ayes have it.

Mr. Monaghan: That concludes our report.

Mr. Bonnett: Thank you, Ed. The next committee is the Public Safety Committee, Mr. Rankin please.

Public Safety Committee
John Rankin, Chairman

Public Hearing for Ordinance No. 3023, an Ordinance of Upper Darby Township, Delaware County, Pennsylvania amending and supplementing the Upper Darby Township Civil Service Code as previously amended.

Mr. Rankin: I will ask the Solicitor to give us a brief on proposed Ordinance No. 3023 after which we will hold a Public Hearing.

Solicitor: Thank you. Ordinance No. 3023 is an Ordinance of Upper Darby Township, Delaware County, Pennsylvania amending and supplementing the Upper Darby Township Civil Service Code as previously amended.

Mr. Rankin: Thank you. I will now ask President Bonnett to conduct a Public Hearing.

Mr. Bonnett: At this time, we will open a Public Hearing on proposed Ordinance No. 3023. Anyone wishing to speak on this Ordinance, please come to the podium and state your name and address for the record. Seeing no one wishing to speak, John, back to you.

Ms. Keffer: I have a question. In Part 2 & 3, it mentions senior member in a combination department or volunteer fire department. Does that exclude someone from a professional fire department, say from Philadelphia that wanted to move here?

Mayor Micozzi: They would pass if they had five years but not two. Philadelphia is not a combination department.

Ms. Keffer: Right that’s what I’m saying.
Mayor Micozzie: They would definitely have Firefighter 1 and Firefighter 2 if they are a Philadelphia fireman. That’s the academy we already send our people to.

Ms. Keffer: So, they’re not excluded from this?

Mayor Micozzie: Not by that section.

Mr. Bonnett: Any other questions? Seeing none, that will conclude the Public Hearing. Councilman Rankin, a motion would be in order.

Mr. Rankin: At this time, I would like to make a motion for the passage of Ordinance No. 3023.

Mrs. Crawford: Seconded.

Mr. Bonnett: It’s been moved and seconded. All those in favor signify by saying aye. Opposed? The ayes have it.

Mr. Santora: May I have the floor, Mr. President? Fellow members of Council, Mayor, tonight will be my last Council meeting. I will effectively resign immediately after my few words. First, I’d like to thank the Mayor. Mayor, what you do every day for this Township is beyond what is expected of a “part-time” Mayor. You are not that. You are a full-time Mayor. You impress me every day and I really appreciate the service that you give to our Township. You create an environment of inclusion vs. exclusion and that means a lot to the residents of Upper Darby Township. You gave me the opportunity to serve on the Comprehensive Planning Committee as a Chairman, which I recently stepped down from because of my duties at the State. It was great to be able to be a part of that in the beginning phases and I know we still have a long time before that is complete but to be able to guide the Township where it’s going to go for the next ten years was really a great opportunity for me. I don’t think there is a school age child who doesn’t know who you are and at the Municipal level, that’s pretty awesome. Even with the community at large, I don’t believe that there are many people who don’t know who you are. You have at one time or another been to an event or at their door or just visiting the neighborhood and that means a lot. I thank you for your service to our community.

Mayor Micozzie: Jamie, you have been an excellent Councilman. It’s equally shared. We do a lot together and I’m really proud to see you have made it to the state level. And, you’re doing a great job.

Mr. Santora: Council members, I urge you to continue to work together. A lot of people think that when there are Democrats and Republicans on the same board that it’s always going to be a “yes” and “no” but we have been able to work together on a lot of things and I encourage you to keep doing that. I thank all of you for your service. It’s been an honor to serve with you and to represent the 82,000 residents of Upper Darby Township, to represent the business owners of Upper Darby Township. Today I got a text at 12:00 that said, “Oh my God, we forgot to call anybody. Can you come over here right now to cut a ribbon?” And, I did. I ran right over to
Ferne Blvd. where a little restaurant opened up and cut a ribbon at the last minute. Every time we cut a ribbon we are creating new jobs. I found out that this little 1000 square foot building has 12 people who are working there and 7 are from the Township and walk to work so it’s awesome. Let’s keep creating that environment, a welcoming environment for people to be here I’ll still be around. I’m here as you know a great portion of my House District is Upper Darby Township. I can say it. There is no better place to raise a family. I don’t think there is a more diverse Municipal area in all of Pennsylvania. We’ve got programs in our school that are amazing. Some of the things that people say are “wow, your middle schools are so big and your high school is so big.” But, there’s a good thing to that too. We get to offer programs here that most schools can’t because they just don’t have the kids to fill the programs. They do an excellent job. We see the passion of the residents day in and day out. We’ve got civic associations, business associations, people who show up here month after month to make sure that things get done. Again, we’re all here to serve the community at large and that’s important. One other thing, when I was elected to office and began my job on December 1st, I said that I would not take two paychecks and I plan to honor that commitment. I said that I would donate the salary since December 1st to the Primos School’s autism playground that was going to be built. So tonight and Mayor I will ask you to deliver the checks since you are on the Arts Committee but I wrote my first check which is the big check and then in a couple of weeks, I will write my second one when I get my final paycheck from the Township. So, I ask you to deliver this check on my behalf.

Mayor Micoczie: I’d be happy to and I’ll make sure that they recognize it.

Mr. Santora: Great. So, effective immediately I am resigned and I encourage you to move forward immediately on the process of filling my seat as I think a vacancy is not a good thing. So I ask you, Mr. President, to do whatever you have to do and make it happen.

Mr. Bonnett: Jamie, from my perspective I want to thank you for the nearly four years that you served on this Council but more than that I want to commend you and thank you for your willingness to go beyond this Council and serve as a State Representative in the Commonwealth of Pennsylvania representing, as you said, a good part of Upper Darby and you will continue to be our “go to person” in terms of working with the State. We appreciate your willingness to do that and I will say for everyone’s benefit this evening that Jamie gave me the courtesy of knowing that this was coming right before this meeting tonight so I could prepare to address how we are going to deal with this. We have an obligation under the Home Rule Charter to fill this vacancy. We have a 45 day window in which to do that. It’s always been the custom of this Council to open up the opportunity to anyone who wishes to put their name in contention to be considered to be appointed by this Council to fill this vacancy. With regard to that, we have always established a Committee of representatives of this Council to conduct the interviews. I will ask the Chief Municipal Clerk to advertise the vacancy to solicit from the community anyone’s interest by asking them to submit a resume to a Committee which I will appoint by name this evening. The Committee members will be Councilman Wagner, Councilman Monaghan and Councilwoman Manners. I hope you will be willing to serve in that capacity. I would suggest that we set a schedule to receive these resumes within the next two weeks in order
that interviews can be conducted by the Committee and that we would be in a position at our meeting on the 15th of April to make that appointment. So, with that, any other comment from any member of Council?

Mr. Rankin: I would just like to thank Jamie for his service to the Township. It’s been great working with you and I wish you the very best in the Legislature and I know you’ll do the same thing there.

Audience applause.

Mr. Bonnett: Madam Solicitor, do you have anything for the body?

Solicitor: I would just like to say that we had a very brief executive session before we came out here tonight in regard to a personnel issue. The Mayor asked me to pull out my Civil Service Code, which I did, and look at 402 and just to clarify for Councilwoman Keffer’s question regarding Philadelphia fire-fighting.

Ms. Keffer: Professional fire-fighting.

Solicitor: That’s to qualify to take the examination. That’s what we did tonight. So, you would have to have 2 years in a combination department or 5 years in a volunteer. So, having any experience in a Philadelphia professional fire-fighting department would not qualify you to take that exam. You would still have to volunteer in addition to that.

Mayor Micozzie: We have a couple guys and girls that came out of Upper Darby who are fire fighters that would meet that qualification but a strictly career fire fighter from Washington or Baltimore or Philly without any volunteer experience would not meet the definition of Civil Service.

Solicitor: Unless they have 2 years of a combination department or 5 years of a volunteer in addition to their professional department experience. That’s all I have.

Mr. Bonnett: Thank you. A motion would be in order for adjournment.

Adjournment

Mrs. Crawford: Seconded.

Mr. Bonnett: This meeting stands adjourned.

Respectfully submitted,

Richard G. Nolan
Chief Municipal Clerk

**Inspections**

18. At all reasonable times during the term of this Lease and any renewal of this Lease, the Landlord and its agents may enter the Property to make inspections or repairs, or to show the Property to prospective tenants or purchasers upon the greater of 24 hours notice to the Tenant and any notice required by the Act.

23. The Tenant is not responsible for insuring the Property for liability insurance, and the Tenant assumes no liability for any such loss.

Abandonment
24. If at any time during the term of this Lease, the Tenant abandons the Property or any part of the Property, the Landlord may, at its option, enter the Property by any means without being liable for any prosecution for such entering, and without becoming liable to the Tenant for damages or for any payment of any kind whatever, and may, at the Landlord's discretion, as agent for the Tenant, rent the Property, or any part of the Property, for the whole or any part of the then unexpired term, and may receive and collect all rent payable by virtue of such renting, and, at the Landlord's option, hold the Tenant liable for any difference between the Rent that would have been payable under this Lease during the balance of the unexpired term, if this Lease had
continued in force, and the net rent for such period realized by the Landlord by means of the renting. If the Landlord's right of re-entry is exercised following abandonment of the Property by the Tenant, then the Landlord may consider any personal property belonging to the Tenant and left on the Property to also have been abandoned, in which case the Landlord may dispose of all such personal property in any manner the Landlord will deem proper and is relieved of all liability for doing so.

**Attorney Fees**

25. In the event that any action is filed in relation to this Lease, the unsuccessful party in the action will pay to the successful party, in addition to all the sums that either party may be called on to pay a reasonable sum for the successful party's attorney fees.

**Governing Law**

26. It is the intention of the parties to this Lease that the tenancy created by this Lease and the performance under this Lease, and all suits and special proceedings under this Lease, be construed in accordance with and governed, to the exclusion of the law of any other forum, by the laws of the Commonwealth of Pennsylvania, without regard to the jurisdiction in which any action or special proceeding may be instituted.

**Severability**

27. If there is a conflict between any provision of this Lease and the applicable legislation of the Commonwealth of Pennsylvania (the "Act"), the Act will prevail and such provisions of the Lease will be amended or deleted as necessary in order to comply with the Act. Further, any provisions that are required by the Act are incorporated into this Lease.

28. In the event that any of the provisions of this Lease will be held to be invalid or unenforceable in whole or in part, those provisions to the extent enforceable and all other provisions will nevertheless continue to be valid and enforceable as though the invalid or unenforceable parts had not been included in this Lease and the remaining provisions had been executed by both parties subsequent to the expungement of the invalid provision.
**Amendment of Lease**

29. Any amendment or modification of this Lease or additional obligation assumed by either party in connection with this Lease will only be binding if evidenced in writing signed by each party or an authorized representative of each party.

**Assignment and Subletting**

30. The Tenant will not assign this Lease, or sublet or grant any concession or license to use the Property or any part of the Property. Any assignment, subletting, concession, or license, whether by operation of law or otherwise, will be void and will, at Landlord's option, terminate this Lease.

**Damage to Property**

31. If the Property, or any part of the Property, will be partially damaged by fire or other casualty not due to the Tenant's negligence or willful act or that of the Tenant's employee, family, agent, or visitor, the Property will be promptly repaired by the Landlord and there will be an abatement of Rent corresponding with the time during which, and the extent to which, the Property may have been untenable. However, if the Property should be damaged other than by the Tenant's negligence or willful act or that of the Tenant's employee, family, agent, or visitor and the Landlord decides not to rebuild or repair the Property, the Landlord may end this Lease by giving appropriate notice.

**Maintenance**

32. The Tenant will, at its sole expense, keep and maintain the Property and appurtenances in good and sanitary condition and repair during the term of this Lease and any renewal of this Lease.

33. Major maintenance and repair of the Property involving anticipated or actual costs in excess of $100.00 per incident not due to the Tenant's misuse, waste, or neglect or that of the Tenant's employee, family, agent, or visitor, will be the responsibility of the Landlord or the Landlord's assigns.

34. Where the Property has its own sidewalk, entrance, driveway or parking space which is for the exclusive use of the Tenant and its guests, the Tenant will keep the sidewalk, entrance, driveway or parking space clean, tidy and free of objectionable material including dirt, debris, snow and ice.
