Finance & Appropriations Committee
Thomas P. Wagner, Chairman

Resolution No. 83-16, the tax appeal of First Realty, LLC., 266 Bayard Road, Upper Darby Township. Tax Folio No: 16-04-00265-00
Mr. Wagner: Thank you, Mr. Bonnett. To begin with, the Finance Committee has made an announcement to the Mayor. I will ask the Mayor if he would like to tell everyone what that it.

Mayor Micozzie: Sure. As you know, Tom has been working along with the Finance Department and I just want to commend the Finance Department and Tom Judge’s office and all of the other Departments in the Township. Our outlook coming into this Bond issue and our Budget from Standard & Poors is an A+ rating. For those who don’t know, that is a rating that the financial institutions look at, Standard & Poors of all municipal governments across the state. I’ll just give you a paraphrase; the outlook reflects our view that the rating is unlikely to change within the next 2 years outlook, the period giving the Township a sizeable liability of fixed assets costs that could pressure future budgets. Nevertheless, we expect management to continue to make the necessary budgetary adjustments to avoid potential structural imbalance. The outlook also reflects the Township’s very strong liquidity and adequate budgetary performance and budgetary flexibility. --------- scenario, we could raise the rating of the Township economic metrics primarily its market value per capita improves the levels that are in line with the higher rating ---------.. The final one is that we were bounced against other Home Rule Charter cities, is that right Marc? So, I’m really proud of that and of the efforts of Council working with us on this Budget and Tom Judge and his office and my Departments every day worked to make sure........some of the cuts we’ve made have been tough, some of the financial decisions over the last couple of years have been tough but as the economy strengthens we hope to with our new businesses and things we have been doing, I think we’re on an uphill swing. So, I just want to compliment Tom and Jim Smith.

Mr. Wagner: Thank you, Mr. Mayor and on behalf of the Finance Committee and I hope the whole Council, I think this is an outstanding development and you and your Administration, Mr. Judge and Mr. Smith have every right to be proud of it. I think it reflects so well on how the Township is being managed and the efforts of the Administration and this Council to see that the finances of this Township are being managed appropriately and this is proof positive of that. So, thank you Sir. With that, I will ask the Solicitor to give us a brief on Resolution No. 83-16.

Solicitor: Certainly. Resolution No. 83-16 is the tax appeal of First Realty LLC., 266 Bayard Road, Upper Darby Township. Tax Folio No: 16-04-00265-00. A 2016 and 2017 appeal currently assessed at $40,500.00. The recommended Resolution is for an assessment for tax year 2016 of $33,900.00 and for tax year 2017 of $32,500.00. This has already been approved by the Upper Darby School District and is being recommended by the Solicitor’s office.

Mr. Wagner: Thank you very much, Mr. Solicitor. I will add that the Finance Committee recommends this as well. With that I move for the adoption of Resolution No. 83-16.

Mr. Gwin: Second.
Mr. Bonnett: Moved and seconded. Any comments? Hearing none, all those in favor signify by saying aye. Opposed? The ayes have it.

Mr. Wagner: Secondly, I will ask the Solicitor to give us a brief on Ordinance No. 3030.

**Public Hearing for Ordinance No. 3030, an Ordinance authorizing the issuance of General Obligation Bonds in a maximum aggregate principal amount of $18,000,000.**

Marc Stein: Thank you. As we went over on November 2nd, Ordinance No. 3030 was the only piece of for legislation that the Council has to look at in order to incur indebtedness in the maximum principal amount of $18 million for a variety of Capital projects all on behalf of the Township. The Ordinance authorizes the execution of appropriate documents required by ----the Home Rule Charter in order for the debt to be properly incurred under Pennsylvania law ----------appropriate filing to be made and it authorizes the appropriate officers ------ appropriate documents in connection with the incurrence of the debt and then the issuance of the debt. It is anticipated that the Bond will be issued in no more than $15 million. The reason for $18 million is to allow the financial advisors ---------------------------------- and the Township investment bank Citigroup, Capital Markets could have the room to make sure that the Bonds are issued on 2 separate transactions, one in 2016 and one in 2017. This will allow the Township to be in compliance with State laws. If there are any questions with regard to the Ordinance, it will be my pleasure to answer them at this point. I gave a very quick overview but we went through a very detailed brief back on November 2nd.

Mr. Wagner: I was just going to say that we have had an extensive presentation already which included you and representatives of Public Financial Advisors and the Township thanks both you and your respective firms for the great advice that you’ve given us not only on this matter but on a lot of other matters preceding this. There has been a detailed presentation already which the Council has heard in its entirety. This generally is an Ordinance that would permit the Township to finance up to $18 million but as I stated we expect to use only $15 million of that for a lot of very good purposes not the least of which is that we’ve got new LED lighting throughout the entire Township and many other purposes. At this point, it would be appropriate, Mr. President, for you to conduct a Public Hearing.

Mr. Bonnett: Thank you, Councilman Wagner. At this time, we shall convene a Public Hearing for Ordinance No. 3030. If you wish to speak on this Ordinance, please come to the podium and state your name and address for the record. Seeing no one, we shall conclude this Public Hearing and I will give the meeting back to you, Councilman Wagner.

Mr. Wagner: Thank you Sir. With the Public Hearing concluded, it is appropriate at this time to move for the adoption of Ordinance No. 3030 and I believe that should be done by roll call vote.

Mr. Bonnett: It has been moved. Is there a second?
Mrs. Faraglia: Second.

Mr. Bonnett: Moved and seconded. We will now take a roll call vote. Any comments?

Mr. Wagner: Yes Sir. Before the vote is taken, it should be noted that the Finance Committee is unanimously in favor of this action for reasons that have already been stated before and it is consistent of the advice that we have received both from the Financial Advisors and from Mr. Stein, our Bond Counsel.

Mr. Bonnett: Any other comments?

Ms. Coles: I just want to say that I really appreciated the very in depth presentation that Mr. Stein and the other representatives gave back at the November 2nd Council meeting. We also even had a resident last week that came in and had a question just to get some clarity as to why the amount was $18 million when we were only borrowing the $15 million. Mr. Judge was able to answer that question and I feel that all of my questions have been answered in regards to this particular Ordinance.

Ms. Keffer: I just have a question about the letter that we got in our packet from S&P regarding $7,665,000. Is that part of the Bond that we’re getting?

Mr. Wagner: Yes it is.

Mr. Bonnett: Does that answer your question?

Ms. Keffer: Yes.

Mr. Bonnett: The motion has been made and seconded. Please call the roll.

C.S. Chs. 80-82 (the “Act”), and has determined that a private sale by negotiation is in the best financial interests of this Township; and

WHEREAS, the Township Council has determined to accept the proposal (the “Proposal”) of Citigroup Global Markets Inc. (the “Purchaser”), for the purchase of the Bonds, such sale to be conditioned upon, among other things, the receipt of approval from the Department of Community and Economic Development (the “Department”) relating to the incurring of the maximum aggregate principal amount of non-electoral indebtedness to be evidenced by the Bonds; and

WHEREAS, the Township Council has determined to and desires to accept the Proposal of Purchaser and to incur non-electoral debt to be evidenced by one or more series (or subseries) of the Bonds pursuant to the provisions of the Act.

NOW, THEREFORE, UPPER DARBY TOWNSHIP, DELAWARE COUNTY, PENNSYLVANIA, HEREBY ORDAINS AS FOLLOWS:

Section 1. Pursuant to the provisions of this Ordinance, the Township Council hereby authorizes and directs the incurring of non-electoral indebtedness to be evidenced by the issuance, from time to time, of one or more series (or subseries) of its Bonds in the maximum aggregate principal amount of Eighteen Million Dollars ($18,000,000) (on a not to exceed basis). The Bonds shall be issued and sold in one or more series (or subseries), from time to time, in accordance with the provisions of the Act by private sale by negotiation. In connection therewith, the Township Council hereby finds and determines that a private sale by negotiation is in the best financial interests of this Township.

Section 2. The Township Council determines that the debt to be incurred pursuant to this Ordinance, and which will be evidenced by the issuance, from time to time, of one or more series (or subseries) of the Bonds in accordance with the terms hereof, shall be non-electoral debt of this Township.

Section 3. A brief description of the project to be financed with the proceeds of the Bonds, together with certain other funds of this Township available for the purpose, if any, is as follows:

(i) the undertaking by the Township of various capital projects, including, but not limited to, the planning, designing, acquiring, constructing, furnishing, and equipping of alterations, renovations, and improvements, including but not limited to, certain energy improvement projects, various buildings, streets, storm sewers, street lights and/or other property or facilities owned or operated by the Township; and

(ii) the payment of the costs and expenses of issuing the Bonds, in one or more series (or subseries), from time to time, including, among others, a premium or premiums on one or more municipal bond insurance policies, if applicable (collectively, the “Project”).
The realistic estimated useful lives of the Project range from four (4) years to at least twenty (20) years. It is hereby certified that an aggregate principal amount of the respective series of Bonds shall mature prior to the end of the useful life of each respective component of the Project.

The Township Council represents that it has obtained realistic cost estimates of the various components of the Project from persons qualified by experience.

The maturity of stated installments of principal of the Bonds (and any subseries thereof) will not be deferred beyond the later of two years after the date of issuance of the Bonds (and any subseries thereof) or one year after the estimated date for completion of the components of the Project to be financed with the proceeds of the Bonds (and any subseries thereof).

The Township Council hereby authorizes and directs its officers, administrators, agents and employees to execute all documents and take all actions necessary in connection with accomplishing the Project.

In accordance with Section 8142(b)(2) of the Act, the stated maturities or installments of principal of each series (or subseries) of the Bonds shall be fixed to provide that the debt service on outstanding debt of the Township will be brought more nearly into an overall level annual debt service plan.

Section 4. Subject to the approval of the Department, as required by the provisions of the Act, the Township Council shall and does hereby accept the Proposal of the Purchaser, for the purchase of each series of the Bonds in accordance with the terms and conditions of this Ordinance and Purchaser’s Proposal. The purchase price for each series (or subseries) of the Bonds, if the Bonds are issued in more than one series (or subseries), shall not be less than 99.00% of the actual aggregate principal amount of each such individual series (or subseries) of the Bonds (less original issue discount, if any, plus original issue premium, if any, plus accrued interest, if any). The Mayor, the President, the Vice President and Secretary of the Township Council, the Chief Administrative Officer and Finance Director of the Township (each an “Authorized Officer”) are hereby severally authorized and directed to accept and to execute the Proposal (and any amendments or addenda thereto in connection with the issuance of any series (or subseries) of Bonds hereunder, as long as the terms and provisions of such series (or subseries) of Bonds comply with the terms hereof) in the name and on behalf of this Township, and the Chief Municipal Clerk of this Township is hereby authorized and directed to attest to such acceptance and execution. A copy of the Proposal, as presented to this Township Council and accepted by this Ordinance, is incorporated herein by reference and shall be attached to this Ordinance and maintained with the minutes of this meeting. The bid security, if any, accompanying the Proposal shall be held and shall be applied as provided by the Act; provided, however, that no allowance for interest shall be made by this Township with respect to such bid security, except as provided by the Act.
Notwithstanding the foregoing, the Township shall have the right and privilege to
terminate its obligation to sell, issue and deliver the Bonds to the Purchaser pursuant to the
Proposal for any reason, with or without cause, at any time after June 30, 2017, but not after the
date of the execution of any addendum to the Proposal by the Township (to the extent of the
principal authorized in any such addendum), upon payment of reasonable out-of-pocket expenses
to the Purchaser.

Section 5. The Bonds, when issued, will be general obligations of this Township.
The Bonds shall be designated the “General Obligation Bonds, Series of 2016” (or such other
designation of the series of the calendar year(s) during which the Bonds may be issued).

Section 6. The Bonds shall be fully registered, without coupons, in denominations of
$5,000 or any integral multiple thereof, in substantially the form hereinafter set forth in Section
9. Each series (or subseries) of the Bonds shall be dated as of their respective date of issuance
and shall bear interest from that date at the applicable rates per annum which shall not exceed
the maximum rates per annum as set forth in Section 7, payable in accordance with the provisions of
the Bonds and this Ordinance, semi-annually on May 1 and November 1 of each year,
commencing on the first May 1 or November 1 (unless otherwise agreed to by the Township as
shall be set forth in the Purchaser’s Proposal) occurring after the date of issuance of the
applicable series of the Bonds (each an “Interest Payment Date”), until maturity or prior
redemption.

Section 7. (a) The Bonds, when issued, shall bear interest at rates which shall be
less than or equal to, as appropriate, the not to exceed rate of interest and shall mature, or be
subject to mandatory sinking fund redemption, as appropriate, on the dates and in principal
amounts which shall be less than or equal to, as appropriate the not to exceed principal amounts,

(c) Each series (or subseries) of Bonds may be subject to redemption, prior to maturity, at the option of this Township, in whole or in part (in any order of maturity selected by the Township), at any time on or after a date which is not later than ten (10) years from the date of issuance of such series (or subseries) of Bonds, at a redemption price not exceeding 102% of the principal amount of the Bonds to be redeemed (all as shall be approved by the Mayor of this Township prior to his or her execution of the applicable series (or subseries)
of Bonds), plus accrued interest thereon to the date fixed for such optional redemption. In the event that less than all Bonds of a particular maturity are to be redeemed, the Bonds of such maturity to be redeemed shall be drawn by lot by the Fiscal Agent (hereinafter defined).

(d) The Bonds of any series (or subseries) may be issued as "term bonds" and be subject to mandatory sinking fund redemption prior to maturity (at a price equal to 100% of the principal amount of such Bonds called for mandatory redemption plus accrued interest thereof to the date fixed for such mandatory sinking fund redemption) in the appropriate principal amounts necessary to redeem the Bonds subject to mandatory sinking fund redemption, as shall be more fully set forth in the form of Bond for such series (or subseries) (as shall be approved by the Mayor of this Township prior to his or her execution of the applicable series (or subseries) of Bonds), as drawn by lot by the Fiscal Agent; provided, however, that the principal amounts of the particular series (or subseries) of Bonds, when aggregated with Bonds of other series (or subseries) maturing or subject to mandatory sinking fund redemption on that date, if any, may not exceed the "not to exceed principal amounts" in any year set forth in Section 7(a) hereof.

In lieu of any such mandatory sinking fund redemptions of the Bonds, the Fiscal Agent, on behalf of and as directed in writing by this Township, may purchase, from money in the appropriate account of the Sinking Fund, or this Township may tender to the Fiscal Agent, all or part of the Bonds subject to mandatory sinking fund redemption in any such year, so long as such directions are received by the Fiscal Agent not later than ninety days prior to the date of any such mandatory redemption.

(e) If a Bond is of a denomination larger than $5,000, a portion of such Bond may be redeemed. For the purposes of redemption, such Bond shall be treated as representing that number of Bonds which is obtained by dividing the principal amount thereof by $5,000, each $5,000 portion of such Bond being subject to redemption. In the event of a partial redemption of a Bond, payment of the redemption price shall be made only upon surrender of such Bond in exchange for Bonds of the same series, of authorized denominations and in an aggregate principal amount equal to the unredeemed portion of the principal amount thereof.

Any redemption of Bonds shall be upon notice effected by mailing a copy of the redemption notice by first class mail, such notice to be deposited in first class mail not more than forty-five (45) days nor less than thirty (30) days prior to the date fixed for redemption, addressed to the registered owners of Bonds to be redeemed at their addresses shown on the registration books kept by the Fiscal Agent as of the date the Bonds are selected for redemption; provided, however, that failure to give such notice by mailing, or any defect therein or in the mailing thereof, shall not affect the validity of any proceeding for redemption of other Bonds called for redemption as to which proper notice has been given. Such notice shall be given in the name of the Township, shall identify the Bonds (and series thereof) to be redeemed (and, in the case of a partial redemption of any Bonds, the respective principal amounts thereof to be redeemed), shall specify the redemption date and the redemption price, and shall state that on the redemption date the Bonds called for redemption will be payable at the designated corporate trust office of the Fiscal Agent and that interest will cease to accrue from the date of redemption. The Fiscal Agent may use "CUSIP" numbers (if then generally in use) in notices of redemption as a convenience to registered owners of the Bonds, provided that any such notice shall state that no
representation is made as to the correctness of such numbers either as printed on the Bonds or as contained in any notice of redemption and that reliance may be placed only on the identification numbers printed on the Bonds.

On the date designated for redemption, notice having been provided as aforesaid, and money for payment of the principal and accrued interest being held by the Fiscal Agent, interest on the Bonds or portions thereof so called for redemption shall cease to accrue and such Bonds or portions thereof so called for redemption shall cease to be entitled to any benefit or security under this Ordinance, and registered owners of such Bonds or portions thereof so called for redemption shall have no rights with respect to such Bonds, except to receive payment of the principal of and accrued interest on such Bonds to the date fixed for redemption.

If the redemption date for any Bonds shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the Commonwealth are authorized by law or by executive order to close, then the payment of such principal and interest upon such redemption need not be made on such date, but may be made on the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which such banking institutions in the Commonwealth are authorized to close with the same force and effect as if made on the nominal date of redemption, and no interest shall accrue after such nominal date of redemption.

If at the time of mailing of any notice of redemption, this Township shall not have deposited with the Fiscal Agent moneys or obligations, the principal of or interest on which will be sufficient to redeem the Bonds so called for redemption, such notice may state that it is conditional and that it is subject to the deposit of redemption moneys with the Fiscal Agent not later than the redemption date, and such redemption notice shall be of no effect unless such moneys are so deposited.

Section 8. The Township Council appoints TD Bank, N.A. of Philadelphia, Pennsylvania, as the paying agent and sinking fund depositary for the Bonds (with its successors and assigns the “Fiscal Agent”). The Authorized Officers are hereby severally authorized, empowered and directed to contract with the Fiscal Agent for its services as paying agent and sinking fund depositary in accordance with the terms and conditions of the Proposal, this Ordinance and the Act. Payment of the principal of and interest on the Bonds shall be made, when due, in accordance with the provisions of the Bonds, at or from the corporate trust office of the Fiscal Agent located in Philadelphia, Pennsylvania or such other corporate trust office designated by the Fiscal Agent, in lawful money of the United States of America.

Section 9. The Bonds shall be in substantially the form set forth in Exhibit “A”, which is attached hereto and made a part hereof as though fully set forth herein, with appropriate series (or subseries) designations, if appropriate, insertions, omissions and variations. Each series (or subseries) of the Bonds, upon original issuance, are to be issued in the form of a single, fully registered bond for each maturity thereof, in denominations equal to the principal amount of the Bonds of such series maturing on such date, and shall be delivered upon the written order of any Authorized Officer, to or on behalf of The Depository Trust Company, New York, New York (the “Securities Depository”), or its nominee, CEDE & Co. for the account of the Purchaser. Each such Bond shall be registered on the registration books kept by the Fiscal Agent in the name of the Securities Depository or, at the Securities Depository’s option, in the name of
CEDE & Co., as the Securities Depository’s nominee, and no beneficial owners thereof will receive certificates representing their respective interests in such Bonds, except in the event the Fiscal Agent issues “replacement bonds,” as hereinafter set forth.

In connection with the book-entry system of registration referred to above, this Township has heretofore executed and delivered a “Blanket Letter of Representations” (the “Representation Letter”) with the Securities Depository. The execution and delivery by this Township of the Representation Letter shall not in any way limit any undertaking or arrangement contemplated or provided for herein in respect of the Securities Depository or the book-entry registration, payment and notification system or in any other way impose upon this Township or the Fiscal Agent any obligation whatsoever with respect to beneficial owners having interests in the Bonds, any such obligation extending solely to the registered owners of the Bonds, as shown on the registration books kept by the Fiscal Agent. The Fiscal Agent shall take all action necessary for all representations of this Township in the Representation Letter with respect to the Fiscal Agent to be complied with at all times.

This Township, in its sole discretion and without the consent of any other person, may terminate the services of the Securities Depository with respect to any series of the Bonds, if this Township determines that:

(i) the Securities Depository is unable to discharge its responsibilities with respect to the Bonds;

(ii) a continuation of the requirement that all of the then outstanding Bonds be registered in the registration books kept by the Fiscal Agent in the name of the nominee of the Securities Depository is not in the best interests of the beneficial owners of the Bonds; or

(iii) it is in the best interests of this Township to do so and the interests of the beneficial owners of the Bonds would not be adversely affected thereby.

Upon the termination of the services of the Securities Depository with respect to any series of the Bonds, or upon the discontinuation of such services after which no substitute securities depository willing to undertake the functions of the Securities Depository can be found which, in the opinion of this Township, is willing and able to undertake such functions upon reasonable and customary terms, then the Fiscal Agent shall authenticate and cause delivery of “replacement bonds” with respect to the interests of the beneficial owners of the Bonds. This Township will pay all costs incurred in connection with the printing, authentication and delivery of such “replacement bonds.” Upon issuance of “replacement bonds,” all references herein to obligations imposed upon or to be performed by the Securities Depository shall be deemed to be imposed upon and performed by the Fiscal Agent or alternate or successor transfer agent or paying agent to the extent applicable with respect to such “replacement bonds.”

The Securities Depository may determine to discontinue providing its services with respect to the Bonds at any time by giving written notice to this Township and the Fiscal Agent as provided in the Representation Letter and discharging its responsibilities with respect thereto under applicable law.
Section 10. Each series (or subseries) of the Bonds, as appropriate, shall be executed in the name and on behalf of this Township by the true or facsimile signature of the Mayor of this Township and the true or facsimile official seal of this Township shall be affixed thereunto, duly attested by the true or facsimile signature of the Chief Municipal Clerk of this Township. Said officers are authorized and directed to execute, attest and seal the Bonds.

No Bond constituting one of the Bonds shall be entitled to any benefit under this Ordinance nor shall it be valid, obligatory or enforceable for any purpose until such Bond shall have been registered and authenticated by the Certificate of Authentication endorsed thereon duly executed by the Fiscal Agent; and the Fiscal Agent is authorized to register and authenticate the Bonds, in accordance with the provisions hereof.

Section 11. This Township covenants to and with the registered owners, from time to time, of the Bonds that this Township shall: (i) include the amount of the debt service for the Bonds for each fiscal year in which such sums are payable in its budget for that fiscal year of this Township; (ii) appropriate from its general revenues in each such fiscal year the amount required to pay debt service on the Bonds for such year; and (iii) duly and punctually pay or cause to be paid from its sinking fund or any other of its revenues or funds the principal amount of and interest on the Bonds at the dates and place and in the manner stated therein, according to the true intent and meaning thereof; and, for such budgeting, appropriation and payment, this Township shall and does pledge, irrevocably, its full faith, credit and taxing power. As provided in Section 8104(b) of the Act, the foregoing covenant of this Township shall be specifically enforceable.

Section 12. This Township hereby covenants to create and there is hereby created, pursuant to Section 8221 of the Act, a sinking fund for the Bonds, to be known as “Sinking Fund – Upper Darby Township - General Obligation Bonds” (the “Sinking Fund”), which sinking fund shall be established with the Fiscal Agent and administered in accordance with applicable provisions of the Act and this Ordinance. The Township hereby instructs the Fiscal Agent to, if necessary, create separate accounts within the Sinking Fund for each series (or subseries) of the Bonds.

Section 13. The Fiscal Agent shall be the “sinking fund depository” with respect to the Sinking Fund (and all accounts created therein for each series of Bonds issued hereunder) created pursuant to Section 12 of this Ordinance. This Township covenants and agrees to deposit in the appropriate account created within the Sinking Fund, on or before each Interest Payment Date, an amount which shall be sufficient to permit the Fiscal Agent to pay on such Interest Payment Date all of the principal of and accrued interest becoming due with respect to the appropriate series (or subseries) of Bonds. After such deposit, the Fiscal Agent shall, without further authorization or direction from this Township or any of its officials, upon proper and timely presentation, execution and surrender of the Bonds, with respect to the payment of principal of the Bonds, or on the Interest Payment Date, with respect to the payment of interest on the Bonds, withdraw moneys from the appropriate account created within the Sinking Fund and apply such moneys to the prompt and full payment of such obligations in accordance with the terms thereof, the terms and conditions of this Ordinance and the provisions of the Act.
Section 14. Each Bond shall bear interest from the Interest Payment Date next preceding the date of registration and authentication of such Bonds, unless: (a) such Bonds are registered and authenticated as of an Interest Payment Date, in which event such Bonds shall bear interest from said Interest Payment Date; or (b) the Bonds are registered and authenticated after a Record Date (hereinafter defined) and before the next succeeding Interest Payment Date, in which event such Bonds shall bear interest from such Interest Payment Date; or (c) the Bonds are registered and authenticated on or prior to the Record Date preceding the first Interest Payment Date occurring immediately after the date of issuance of the appropriate series (or subseries) of Bonds in which event such Bonds shall bear interest from the date of issuance of such series of Bonds; or (d) as shown by the records of the Fiscal Agent, interest on such Bonds shall be in default, in which event such Bonds shall bear interest from the date on which interest was last paid on such Bonds. Interest shall be paid semi-annually on January 1 and July 1 of each year, commencing the first Interest Payment Date occurring immediately after the date of issuance of the appropriate series (or subseries) of Bonds, until the principal sum is paid. Interest on the Bonds is payable by check drawn on the Fiscal Agent, which shall be mailed to the registered owner whose name and address shall appear, at the close of business on the fifteenth (15th) day (whether or not a business day) next preceding each Interest Payment Date (the “Record Date”), on the registration books maintained by the Fiscal Agent, irrespective of any transfer or exchange of the Bonds subsequent to such Record Date and prior to such Interest Payment Date, unless this Township shall be in default in payment of interest due on such Interest Payment Date. In the event of any such default, such defaulted interest shall be payable to the person in whose name the Bonds are registered at the close of business on a special record date for the payment of such defaulted interest established by notice mailed by the Fiscal Agent to the registered owners of the Bonds not less than fifteen (15) days preceding such special record date. Such notice shall be mailed to the persons in whose names the Bonds are registered at the close of business on the fifth (5th) day preceding the date of mailing.

If the date for payment of the principal of or the interest on any Bonds shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the Commonwealth are authorized by law or executive order to close, then the payment of such principal or interest need not be made on such date, but may be made on the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which such banking institutions in the Commonwealth are authorized to close, with the same force and effect as if made on the nominal date for payment of the principal or the interest, and no interest shall accrue after such due date.

This Township and the Fiscal Agent shall not be required to issue or to register the transfer of or exchange any Bonds: (i) then considered for redemption during a period beginning at the close of business on the fifteenth (15th) day next preceding any date of selection of Bonds to be redeemed and ending at the close of business on the day on which the applicable notice of redemption is given; or (ii) selected for redemption, in whole or in part until after the date fixed for redemption. Bonds may be exchanged for a like aggregate principal amount of Bonds of other authorized denominations of the same series, maturity and interest rate.

The Bonds shall be transferable or exchangeable by the registered owner thereof upon surrender thereof to the Fiscal Agent, at its designated corporate trust office located in Philadelphia, Pennsylvania, or at any other corporate trust office designated by the Fiscal Agent, when duly endorsed or accompanied by a written instrument or instruments in form, with
instructions, and with guaranty of signature satisfactory to the Fiscal Agent, duly executed by the registered owner thereof or his attorney-in-fact or legal representative. The Fiscal Agent shall enter any transfer of ownership of the Bonds in the registration books of this Township maintained by the Fiscal Agent and shall authenticate and deliver in the name of the transferee or transferees new fully registered Bonds of authorized denominations of the same series and maturity for the aggregate amount which the transferee or transferees are entitled to receive at the earliest practicable time. After delivering such new Bonds the Fiscal Agent may destroy the Bond surrendered for the transfer.

This Township and the Fiscal Agent may deem and treat the persons in whose names the Bonds shall be registered on the registration books of this Township maintained by the Fiscal Agent as the absolute owners thereof for all purposes, whether such Bonds shall be overdue or not, and payment of the principal of and/or interest on the Bonds shall be made only to or upon the order of the registered owners thereof or their legal representatives, but such registration may be changed, as herein and in the Bonds provided. All such payments shall be valid and effectual to satisfy in full and discharge the liability of this Township upon the Bonds so paid, to the extent of the sum or sums so paid, and neither this Township nor the Fiscal Agent shall be affected by any notice to the contrary.

This Township shall cause to be kept, and the Fiscal Agent shall keep, at the corporate trust office of the Fiscal Agent located in Philadelphia, Pennsylvania, or at such other corporate trust offices designated by the Fiscal Agent, books for the registration, exchange and transfer of Bonds in the manner provided herein and therein so long as the Bonds shall remain outstanding. Such registration, exchanges and transfers shall be made without charge to bondholders, except for actual costs, including postage, insurance and any taxes or other governmental charges required to be paid with respect to the same.

Section 15. The Authorized Officers, and, if applicable, their duly qualified respective successors, are hereby severally authorized and directed, in the name of and on behalf of this Township: (a) to prepare, execute and certify the debt statement and borrowing base certificate required by the Act; (b) to prepare and to file with the Department any statements required by the Act that are necessary to qualify all or any portion of the debt of this Township, which is subject to exclusion as self-liquidating or subsidized debt, for exclusion from the appropriate debt limit of this Township as self-liquidating or subsidized debt; (c) to prepare, execute and file with the Department a duly attested copy of this Ordinance, with proofs of proper publication, the accepted Proposal and a complete and accurate transcript of the proceedings relating to the incurring of the debt to be evidenced by the Bonds, including the debt statement and borrowing base certificate; (d) to pay or to cause to be paid to the Department all proper filing fees required by the Act in connection with the foregoing; (e) to pay or to cause to be paid from proceeds of each series of the Bonds, as appropriate, or otherwise, all costs and expenses incurred by this Township in connection with the enactment of this Ordinance, and, as set forth in Section 17 hereof, the issuance of each series of the Bonds; (f) to advertise the enactment of this Ordinance, as required by the Act; (g) to file with the Department any notifications required by Section 8202 of the Act and to file with the Department a revised debt service schedule for the Bonds after the issuance of each series (or subseries) of the Bonds; (h) to approve the terms and provisions of each series of Bonds issued pursuant to the terms hereof (prior to the issuance thereof), including, but not limited to, the interest rates, the maturity provisions and the redemption
provisions of each series of Bonds; provided that such terms and provisions must comply with the terms, provisions and maximum parameters set forth herein; and (i) to take any and all other action, and to approve, execute and deliver any and all documents and other instruments, required or permitted by the Act or by the Proposal, or which they, in their sole discretion, may deem necessary, proper or desirable to effect the issuance of the Bonds, to the extent not inconsistent with this Ordinance or applicable law.

Section 16. It is hereby declared that the debt to be evidenced by the Bonds, together with all other indebtedness of this Township, is not in excess of any applicable limitation imposed by the Act upon the incurring of debt by this Township.

Section 17. The Authorized Officers are hereby severally authorized and directed to deliver each series (or subseries) of the Bonds, as appropriate, to the Purchaser, upon due registration and authentication thereof as provided for herein, upon receipt of full and proper payment of the purchase price therefore and to pay or cause to be paid the costs of issuance of each series (or subseries) of the Bonds (which costs of issuance shall be approved by such Authorized Officer(s) at the time of issuance of each series (or subseries) of Bonds); provided, however, that such delivery and such payments shall be effected only after the Department has certified its approval pursuant to the Act. In addition to the foregoing, the Authorized Officers are hereby severally authorized and directed to pay the costs incurred by the Township with regard to the incurring of the non-electoral indebtedness to be evidenced by the Bonds, the enactment of this Ordinance and the receipt of the Department’s approval of the indebtedness authorized by this Ordinance, upon receipt of the Department’s approval.

Section 18. This Township covenants that it will not take any action, or fail to take any action, if any such action or failure to take action would adversely affect the exclusion from gross income of the interest on the Bonds under Section 103 of the Code (hereinafter defined). This Township further covenants that it will not directly or indirectly use or permit the use of any proceeds of the Bonds or any other funds of this Township, or take or omit to take any action that would cause the Bonds to be “arbitrage bonds” within the meaning of Section 148(a) of the Code. To that end, this Township will comply with all requirements of Section 148 of the Code to the extent applicable to the Bonds and the proceeds thereof. In the event that at any time this Township is of the opinion that for purposes of this Section 18 it is necessary to restrict or limit the yield on the investment of any proceeds of the Bonds held by or on behalf of this Township, this Township shall take such action as may be necessary to effect such restriction.

Without limiting the generality of the foregoing, this Township (if necessary) shall pay or cause to be paid from time to time all amounts required to be rebated to the United States pursuant to Section 148(f) of the Code and any temporary, proposed or final Treasury Regulations as may be applicable to the Bonds from time to time. This covenant shall survive payment in full or defeasance of the Bonds.

The Finance Director of the Township is hereby authorized and directed to make any elections on behalf of this Township permitted by the Code or any Treasury Regulations deemed necessary or appropriate to enable the Township to comply with the requirements of this Section 18.
Notwithstanding any provision of this Section 18, if this Township obtains an opinion of nationally recognized bond counsel to the effect that any action required under this Section is no longer required, or to the effect that some further action is required, to maintain the exclusion from gross income of the interest on the Bonds pursuant to Section 103 of the Code, this Township may rely conclusively on such opinion in complying with the provisions hereof, and the covenants hereunder shall be modified to the extent set forth in such opinion without further action by this Township.

Section 19. So long as the Bonds, together with all other applicable tax-exempt obligations issued in any calendar year, are issued in an aggregate principal amount of $10,000,000 or less and otherwise qualify, in accordance with the provisions of Section 265(b)(3)(D) of the Internal Revenue Code of 1986, as amended (the “Code”), this Township hereby designates each Bond as a “qualified tax-exempt obligation”, as defined in and for purposes of Section 265(b)(3)(B) of the Code.

Section 20. If any Authorized Officer determines that it is in the Township’s best interests to have any series (or subseries) of Bonds credit enhanced with municipal bond insurance, the Township Council authorizes and directs the purchase of one or more policies of municipal bond insurance with respect to the all or any portion of a series (or subseries) of the Bonds. Proper officers and officials of this Township are authorized and directed to take all required, necessary and/or appropriate action with respect to such insurance, including, but not limited to, the payment of any premium therefor and the execution, attestation and delivery of any necessary documents, instruments or agreements in connection therewith.

Section 21. Continuing Disclosure Agreements, to be dated the date of issuance of each series of the Bonds (the “Continuing Disclosure Agreements”), shall be substantially in the form presented to this meeting, with such changes, if any, as may be approved by the Authorized Officers executing the same, whose execution thereof shall be conclusive evidence of such approval. At the time of issuance of any series of the Bonds, the Authorized Officers are hereby severally authorized and directed to execute and deliver any Continuing Disclosure Agreements in the name of and on behalf of this Township.

The Township covenants to provide such continuing disclosure, at such times, in such manner and of such nature as is described in the Continuing Disclosure Agreements.

Section 22. The Township hereby authorizes the preparation and distribution of one or more Preliminary Official Statement(s), Official Statement(s) or other disclosure documents in connection with the marketing and sale of each series of the Bonds. The Authorized Officers are hereby severally authorized and directed to execute and deliver any Official Statement on behalf of the Township.

Section 23. In the event any provision, section, sentence, clause or part of this Ordinance shall be held to be invalid, such invalidity shall not affect or impair any remaining provision, section, sentence, clause or part of this Ordinance, it being the intent of this Township that the remainder of this Ordinance shall remain in full force and effect.
Section 24. All ordinances or parts of ordinances, insofar as the same shall be inconsistent herewith, shall be and the same expressly hereby are repealed.

Section 25. This Ordinance shall be effective in accordance with the Act.

Interest on each Bond is payable by check drawn on the Fiscal Agent, which shall be mailed to the registered owner whose name and address shall appear, at the close of business on the fifteenth (15th) day (whether or not a business day) next preceding each Interest Payment Date (the “Record Date”), on the registration
books maintained by the Fiscal Agent, irrespective of any transfer or exchange of the Bond subsequent to such Record Date and prior to such Interest Payment Date, unless the Township shall be in default in payment of interest due on such Interest Payment Date. In the event of any such default, such defaulted interest shall be payable to the person in whose name the Bond is registered at the close of business on a special record date for the payment of such defaulted interest established by notice mailed by the Fiscal Agent to the registered owners of Bonds (hereinafter defined) not less than fifteen (15) days preceding such special record date. Such notice shall be mailed to the persons in whose names the Bonds are registered at the close of business on the fifth (5th) day preceding the date of mailing. Interest on the Bonds will be calculated based upon a year of twelve (12) thirty (30) day months and 360 days.

Notwithstanding the foregoing, so long as the Bonds are registered in the name of The Depository Trust Company (“DTC”), or any nominee thereof, including, without limitation, CEDE & Co., its nominee, to the extent available, the Fiscal Agent shall transfer: (i) on each Interest Payment Date, the amount of interest due on each such date to DTC; and (ii) on each date when principal is due to be paid, upon surrender of the Bonds maturing on such date, the amount of principal due on each such date to DTC, at the principal office of DTC, which amounts so transferred shall be, on the interest and principal payment date, either immediately available or “good funds next day.” All payments made by the Fiscal Agent to DTC or its nominee shall fully satisfy the Township’s obligations to pay principal of and interest on the Bonds to the extent of such payments, and no beneficial owner of any interest in any Bond registered in the name of DTC or its nominee shall have any recourse against the Township hereunder for any failure by DTC or any direct or indirect participant therein to remit such payments to any beneficial owner of such Bonds.

Whenever the due date for payment of interest on or principal of the Bonds or the date fixed for redemption of any Bonds shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the Commonwealth are authorized by law or executive order to close, then payment of such interest, principal, or redemption price need not be made on any such date, but may be made on the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which banking institutions in the Commonwealth are authorized by law or executive order to close, with the same force and effect as if made on the due date for payment of principal, interest or redemption price and no interest shall accrue thereon for any period after such due date.

This Bond is one of a series of bonds of the Township known generally as “General Obligation Bonds, Series of [add appropriate series/subseries designation],” (the “Bonds”), issued by the Township in the aggregate principal amount of ____________ Dollars ($__________).

The Bonds are in the fully registered form, without coupons, and have been authorized and issued in accordance with the Local Government Unit Debt Act of the Commonwealth, 53 Pa. C.S. Chs. 80-82 (the “Act”), without the assent of the electors, pursuant to an ordinance (the “Ordinance”) of the Members of the Council of the Township. The terms and provisions of the Ordinance are hereby incorporated by reference as if set forth fully herein.
The Township has covenanted in the Ordinance, to and with the registered owners, from
time to time, of the Bonds that shall be outstanding, from time to time, pursuant to the
Ordinance, that the Township shall: (i) include the amount of the debt service for the Bonds, for
each fiscal year in which such sums are payable in its budget for that fiscal year; (ii) appropriate
from its general revenues in each fiscal year the amount required to pay debt service on the
Bonds for such year; and (iii) duly and punctually pay or cause to be paid from the sinking fund
established under the Ordinance or any other of its revenue or funds, the principal amount of and
interest on each of the Bonds at the dates and place and in the manner stated therein, according to
the true intent and meaning thereof, and for such budgeting, appropriation and payment, the
Township has pledged and does pledge, irrevocably, its full faith, credit and taxing power.

In the Ordinance, the Township has covenanted that it will not take any action, if any
such action or failure to take action would adversely affect the exclusions from gross income of
the interest on the Bonds under Section 103 of the Internal Revenue Code of 1986, as amended
(the “Code”) and that it will not directly or indirectly use or permit the use of any proceeds of the
Bonds or any other funds, or take or omit to take any action that would cause the Bonds to be
“arbitrage bonds” within the meaning of Section 148(a) of the Code.

[In accordance with Section 265(b)(3)(D) of the Code, the Township has designated each
of the Bonds as a “qualified tax-exempt obligation” as defined in and for purposes of the Code.]

This Bond shall not be entitled to any benefit under the Ordinance nor shall it be valid,
obligatory or enforceable for any purpose until this Bond shall have been authenticated by the
Fiscal Agent.

The Bonds maturing on and after _____, ____ are subject to redemption prior to maturity,
at the option of the Township, in whole, or in part (in any order of maturity selected by the
Township), at any time on or after _____, ____ at a price equal to 100% of the principal
amount of the Bonds to be redeemed and accrued interest thereon to the date fixed for such
optional redemption. In the event that less than all Bonds of a particular maturity are to be
redeemed, the Bonds of such maturity to be redeemed shall be drawn by lot by the Fiscal Agent.

The Bonds stated to mature on _____, ____ are subject to mandatory sinking fund
redemption prior to maturity on _____ of the following years (at a price equal to the principal
amount of the Bonds called for mandatory redemption plus accrued interest thereon to the date
fixed for such mandatory redemption) in the principal amounts set forth on the following
schedule, as drawn by lot by the Fiscal Agent:

*Maturity.
In lieu of any such mandatory redemptions, the Fiscal Agent, on behalf of and as directed in writing by the Township, may purchase, from money in the appropriate account of the Sinking Fund, or the Township may tender to the Fiscal Agent, all or part of the Bonds subject to mandatory redemption in any such year, so long as such directions are received by the Fiscal Agent not later than ninety (90) days prior to the date of any such mandatory redemption.

If a Bond is of a denomination larger than $5,000, a portion of such Bond may be redeemed. For the purposes of redemption, such Bond shall be treated as representing that number of Bonds which is obtained by dividing the principal amount thereof by $5,000, each $5,000 portion of such Bond being subject to redemption. In the event of a partial redemption of a Bond, payment of the redemption price shall be made only upon surrender of such Bond in exchange for Bonds of the same series of authorized denominations and in an aggregate principal amount equal to the unredeemed portion of the principal amount thereof.

Any redemption of Bonds shall be upon notice effected by mailing a copy of the redemption notice by first class mail, such notice to be deposited in first class mail not more than forty-five (45) days nor less than thirty (30) days prior to the date fixed for redemption, addressed to the registered owners of the Bonds to be redeemed at their addresses shown on the registration books kept by the Fiscal Agent as of the date the Bonds are selected for redemption; provided however, that failure to give such notice by mailing, or any defect therein or in the mailing thereof, shall not affect the validity of any proceeding for redemption of other Bonds called for redemption as to which proper notice has been given. Such notice shall be given in the name of the Township, shall identify the Bonds (and series thereof) to be redeemed (and, in the case of a partial redemption of any Bonds, the respective principal amounts thereof to be redeemed), shall specify the redemption date and the redemption price, and shall state that on the redemption date the Bonds called for redemption will be payable at the designated corporate trust office of the Fiscal Agent and that interest will cease to accrue from the date of redemption. The Fiscal Agent may use "CUSIP" numbers (if then generally in use) in notices of redemption as a convenience to registered owners of the Bonds, provided that any such notice shall state that no representation is made as to the correctness of such numbers either as printed on the Bonds or as contained in any notice of redemption and that reliance may be placed only on the identification numbers printed on the Bonds.

On the date designated for redemption, notice having been provided as aforesaid, and money for payment of the principal and accrued interest being held by the Fiscal Agent, interest on the Bonds or portions thereof so called for redemption shall cease to accrue and such Bonds or portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Ordinance, and registered owners of such Bonds or portions thereof so called for redemption shall have no rights with respect to such Bonds, except to receive payment of the principal of and accrued interest on such Bonds to the date fixed for redemption.

If at the time of mailing of any notice of redemption, this Township shall not have deposited with the Fiscal Agent moneys or obligations, the principal of or interest on which will be sufficient to redeem the Bonds so called for redemption, such notice may state that it is conditional and that it is subject to the deposit of redemption moneys with the Fiscal Agent not later than the redemption date, and such redemption notice shall be of no effect unless such moneys are so deposited.
This Bond may be transferred or exchanged by the registered owner hereof only upon surrender of this Bond to the Fiscal Agent at its corporate trust office located in Philadelphia, Pennsylvania, or at such other corporate trust office designated by the Fiscal Agent, when duly endorsed or accompanied by a written instrument or instruments of transfer in form, with instructions, and with guaranty of signature satisfactory to the Fiscal Agent, duly executed by the registered owner of this Bond or his attorney-in-fact or legal representative. The Fiscal Agent shall enter any transfer of ownership of this Bond in the registration books maintained by the Fiscal Agent and shall authenticate and deliver in the name of the transferee or transferees a new fully registered bond or bonds of the same series and of authorized denominations of the same maturity and form for the aggregate amount which the transferee is entitled to receive at the earliest practicable time. After delivering such new Bonds the Fiscal Agent may destroy the Bond surrendered for transfer. The Township and the Fiscal Agent may deem and treat the registered owner hereof as the absolute owner hereof (whether or not this Bond shall be overdue) for the purpose of receiving payment of or on account of principal hereof and interest due hereon and for all other purposes, and the Township and the Fiscal Agent shall not be affected by any notice to the contrary. All payments made to the registered owner of a Bond, as herein provided, shall be valid and effectual to satisfy in full and discharge the liability of the Township upon the Bond as paid.

The Township and the Fiscal Agent shall not be required to issue or to register the transfer or exchange of any Bonds: (a) then considered for redemption during a period beginning at the close of business on the fifteenth (15th) day next preceding any date of selection of Bonds to be redeemed and ending at the close of business on the day on which the applicable notice of redemption is given; or (b) selected for redemption in whole or in part until after the redemption date. Bonds may be exchanged for a like aggregate principal amount of Bonds of other authorized denominations, of the same maturity and interest rate.

The Township has caused CUSIP numbers to be printed on the Bonds as a convenience to bondholders. No representation is made as to the accuracy of such numbers as printed on the Bonds.

No recourse shall be had for the payment of the principal of or interest on this Bond, or for any claim based hereon or on the Ordinance, against any Member of the Council of the Township, officer or employee, past, present, or future, of the Township or of any successor body, as such, either directly or through the Township or any such successor body, under any constitutional provision, statute or rule of law, or by the enforcement of any assessment or by any legal or equitable proceeding or otherwise, and all such liability of such members, officers or employees is released as a condition of and as consideration for the issuance of this Bond.

It is hereby certified that the approval of the Department of Community and Economic Development of the Commonwealth for the Township to issue and deliver this Bond has been duly given pursuant to the Act; that all acts, conditions and things required by the laws of the Commonwealth to exist, to have happened or to have been performed precedent to or in connection with the issuance of this Bond or in the creation of the debt of which this Bond is evidence, exist, have happened and have been performed in regular and due form and manner required by law; that this Bond, together with all other indebtedness of the Township is within
every debt and other limit prescribed by the Constitution and the statutes of the Commonwealth; that the Township has established with the Fiscal Agent, as Sinking Fund Depository, a sinking fund for the Bonds and shall deposit therein amounts sufficient to pay the principal of and interest on the Bonds as the same shall become due and payable; and that for the prompt and full payment of all obligations of this Bond, the full faith, credit and taxing power of the Township are hereby irrevocably pledged.
