**Appointments**

Mayor Micozzie: I would like to submit to Council for their approval:

THE APPOINTMENT OF INDERJIT BAINS TO SERVE ON THE CIVIL SERVICE COMMISSION. THIS IS A SIX YEAR TERM EXPIRING 12/31/2022. THIS WILL REPLACE FRANK CAREY WHO HAS RESIGNED AFTER MOVING AND RETIRING

THE APPOINTMENT OF JEFF ROKEN TO SERVE ON THE MUCKINIPATES SEWER AUTHORITY. THIS IS A FIVE YEAR TERM.

Mr. Bonnett: A motion would be in order.

Mr. Wagner: So moved.

Mr. Monaghan: Second.

Mr. Gwin: I just have a question. Is there any enumeration of monies to be paid to these individuals and if so, what is it?

Mr. Judge: On the Muckinipates, Mr. Roken receives $1000 for the year broken out over 12 months and that is paid from the Muckinipates Authority funds. It is not paid from any Township funds directly although the Township does pay money to the Muckinipates fund.

Mayor Micozzie: Every community along the Muckinipates has to appoint someone.

Mr. Gwin: And Mr. Bains?

Mr. Judge: No. He does not get any money.

Mr. Bonnett: A motion has been made and……
Ms. Keffer: No. I wanted to say that I mentioned this before but I would like to be more prepared to vote for people and be asked for my vote instead of showing up and looking at these photocopies. How is Mr. Bains qualified to be on the Civil Service Commission?

Mayor Micozzie: Mr. Bains served well for us on the Library Service Committee and is a community member in the community and he is my recommendation.

Ms. Keffer: I think if Council is voting on it then they should have a little bit more input as to who should be appointed to Boards and Commissions.

Mayor Micozzie: So noted. Feel free to make recommendations.

Ms. Keffer: No one asked me for a recommendation.

Mayor Micozzie: You don't have to be asked. You can just go ahead and do that.

Ms. Keffer: I would like a roll call vote.

Mr. Bonnett: We do this every year at time of year making appointments, so feel free at any time to make suggestions for consideration.

Mayor Micozzie: But Mr. Bains has asked to be involved in the community and others have asked.

Ms. Coles: How many members are on the Civil Service Commission?

Mayor Micozzie: There are 3.

Ms. Coles: Is he going to be the only member of color on the Commission?

Mr. Judge: Yes.

Ms. Coles: Well, I'm glad that your suggestion was a member of an under-represented group.

Mayor Micozzie: We've had that conversation with the Civil Service Commission for a long time. Frank Carey served for 20 some years......

Mr. Judge: It was 23 years and Mr. Carey had to resign for personal reasons.

Mayor Micozzie: Right. Civil Service is pretty solid and is long-standing among the community members throughout the community so that is my recommendation.

Mr. Bonnett: The Motion has been made and seconded. The Councilwoman has asked for a roll call vote. Mr. Secretary, will you please call the roll?

Mr. Monaghan: That gives us 10 in favor and 1 opposed.

Mr. Bonnett: Thank you Ed. Ordinance No. 3042 is adopted.

Public Hearing for Ordinance No. 3043, an Ordinance of Upper Darby Township, Delaware County, Pennsylvania authorizing that part of certain unencumbered appropriations allocated by the Annual Budget for Upper
Darby Township for the year 2017 be transferred from various departments, offices and agencies to other departments, offices and agencies within the Township. All Ordinances and parts of Ordinances inconsistent herewith are hereby repealed.

Mr. Wagner: Next we have Ordinance No. 3043. I would ask the Solicitor to give us a brief on that Ordinance.

Solicitor: Yes Sir. Ordinance No. 3043 is an Ordinance of Upper Darby Township, Delaware County, Pennsylvania authorizing that part of certain unencumbered appropriations allocated by the Annual Budget for Upper Darby Township for the year 2017 be transferred from various departments, offices and agencies to other departments, offices and agencies within the Township. All Ordinances and parts of Ordinances inconsistent herewith are hereby repealed.

Mr. Wagner: Thank you. With that, will the Chair please conduct a Public Hearing on Ordinance No. 3043?

Mr. Bonnett: Yes. At this time, we will convene a Public Hearing for Ordinance No. 3043. Anyone wishing to address Council about this Ordinance, please come to the podium and state your name and address for the record.

Ms. Wentz: Laura Wentz, 7549 Parkview Road. Can you explain a little bit more on what is being transferred, from what to what and how is that happening?

Mr. Bonnett: Sure. I will ask Mr. Judge to give details.

Mr. Judge: In Administration, Licenses and Inspections, Health, Parking Meter and Sanitation, we are taking salaries and we are moving them into the Police Department to pay for overtime. When I say salaries, we have had people through the year who have left jobs and rather than fill the jobs immediately, we have kept the jobs open so that we could try and keep the budget down. We ultimately do fill those jobs but it just depends on how quickly we can manage in not filling those jobs and then filling them. In the Electrical where we are moving $35 thousand, we have done better on our LED street light costs so that has helped us move it there. We’re moving it into the Police Department and the Police Department will go towards overtime salaries.

Mr. Wagner: Mr. Judge, correct me if I am wrong please but none of this represents the expenditure of additional or new money. This is simply the transfer of money that was already......

Mr. Judge: The transfer of money that we didn’t have. The money became available because we try to manage the process during the year to have money available to either go into the Fund Balance or into where we need excess.

Ms. Wentz: In previous Public Hearings, my understanding was that $1.9 million was being transferred from the Fund Balance to the General Budget, to the General Funds, to help pay for
the Police and Fire Department for the beginning of the year so that their salaries were covered.

Mr. Judge: No, they were covered there. This is in addition to that transfer.

Ms. Wentz: So, you’re saying that there are jobs that are open on Sewer and… I didn’t get a chance to write down all of the different places you mentioned.

Mr. Judge: Administration, Licenses and Inspections, Parking Meters, Health and Sanitation.

Ms. Wentz: So, there are job openings there that aren’t filled yet and so you’re just transferring the salaries from people that aren’t working to Police and Fire?

Mr. Judge: They weren’t filled during the year for a certain period of time. Some of them have been filled in the latter part of this year and when you get into Parking Meters and Sanitation and we have the union bumping, when you have an open job it takes 45-60 days for a position to bump all the way through as you have people with seniority bid on it. So that in a sense is a savings also.

Ms. Wentz: So, it’s just the money that has been basically saved throughout the year from people not having filled those jobs.

Mr. Judge: Of not having jobs filled.

Ms. Wentz: And then you’re just shipping it to the Police and Fire Department in the beginning as well as the Fund Balance that was originally…

Mr. Judge: That is correct.

Ms. Wentz: From 2017…

Mr. Judge: It’s the 2017 budget.

Ms. Wentz: I was referring to the 2018 budget plan for the Fund Balance.

Mr. Judge: This has nothing to do with 2018. This is 2017.

Ms. Wentz: Right. I’m just saying that it is on top of what was already discussed of being moved within the 2018 budget.

Mr. Judge: No, you’re confusing it. I misunderstood because in July we did move money from the Fund Balance to Police and Fire for overtime in 2017. This has nothing to do with 2018. Absolutely nothing to do with 2018. 2018 stands on its own by itself. I have to zero out at the end of the year. What we’re saying is, whatever Fund Balance we have at the end of 2017, and
we will have some Fund Balance at the end of 2017, we are taking some of that money and putting it into the 2018 Budget. That has nothing to do with this Resolution.

Ms. Wentz: OK, thank you for that clarification. So these funds that are being moved to the Police and Fire Department, what is that?

Mr. Judge: Just police.

Ms. Wentz: Oh sorry, just Police? What is that paying for?

Mr. Judge: It’s paying for Police overtime.

Ms. Wentz: Police overtime for the end of.....

Mr. Judge: It’s all for salaries, the majority of it is for Police overtime at the end of the year.

Ms. Wentz: Because we didn’t have enough already to begin with?

Mr. Judge: No. It’s because we’re experiencing more overtime and a lot of that is because of crime and our detectives are solving crimes so obviously when they solve crimes they do a big push which incurs a lot of overtime.

Mr. Wagner: And overtime is a very difficult item to predict.

Ms. Wentz: I understand. I just wanted a little more clarification and understanding of what was happening.

Ms. Keffer: I just wanted to add to that. Up here we’re looking at the breakdown and I haven’t looked at the Township website for the Agendas or the Meetings. They are posted there, right?

Mr. Judge: Yes. They are posted there by noon on Tuesday.

Ms. Keffer: So, I don’t know that people get a look at the Ordinances before we have a Hearing on it. There is going to be more questions.

Mr. Judge: And, I’m willing to answer questions. And, Councilwoman, Council had these Ordinances and no Council people brought up questions so I don’t know the dilemma. We put the Ordinance out there.

Mr. Bonnett: And that’s the purpose of this too. We answer any questions that are brought forward.

Mr. Judge: I think the Council and the public benefit from the opportunity to have questions and the Administration answer them where appropriate.
Ms. Wentz: So what you guys have access to, was that on the website for the public to see?

Mr. Judge: The individual Ordinances that are published as an individual?

Ms. Wentz: Yeah, I mean I just have this little summary that I’m going from and you’ve got numbers that I don’t have which is why I’m asking.

Mr. Judge: And Council has them and if you had called the Council office, you would have gotten one of them too.

Ms. Wentz: OK, well I didn’t know to do that. OK, thank you.

Mr. Bonnett: You’re welcome. Next?

Ms. Taylor: Olivia Taylor, 214 Kent Road. I listened to everything you just said Tom. My question is, why did this have to go directly to the Police, the extra money? Not that they don’t deserve it but there are a lot of programs that can benefit from this.

Mr. Judge: It has to go to Police because that’s where we see a need in order to complete the Budget. If we don’t make this transfer....

Ms. Taylor: No, I’m not saying they’re not deserving of it.

Mr. Judge: It has nothing to do with deserving or not. This is an expense that we’re incurring so we have to make this transfer to meet this expense. So, the Police overtime is going to cost us $250,000 more. So, if we don’t make this....

Mayor Micozzie: You have to make it.

Mr. Judge: Yes, I have to make it but somebody won’t get a paycheck if I don’t make it!

Ms. Taylor: Again, I’m not saying that they don’t deserve it. I see the officers who are doing overtime on Fridays out there in front of the mosque. To me, that’s a waste of taxpaying dollars. I don’t think they should have to babysit at our expense because they want to block the intersection. That’s all it is.

Mayor Micozzie: That is not an overtime expense.

Ms. Taylor: It’s not?

Mayor Micozzie: That is not an overtime expense.

Ms. Taylor: It’s just my opinion. I just think you should be able to do something else like save a life on patrol instead of babysitting them. That’s my opinion.
Mr. Judge: Let me explain one of the things that overtime costs. We all go back a couple of weeks and there was a hatred sign put on the mosque.

Ms. Taylor: Yes and here we are 4 years later so you can’t use that as an excuse……

Mr. Judge: No, no, you asked me for an explanation and I’m trying to explain that our Police put in some overtime trying to solve that crime.

Ms. Taylor: But this is 4 years later.

Mr. Judge: No, this just happened this week.

Ms. Coles: It was earlier this month when a disturbed individual……

Ms. Taylor: Right and I saw that on the news and here we are almost 4 years later since it’s been there. I haven’t seen anything else about them being threatened in 4 years and the Police have been out there for the last 2. The point that I’m making is that it’s a waste of money, in my opinion. I’m entitled to how I feel and I just think it’s a waste of time that he’s getting paid to sit there and watch them.

Mr. Bonnett: But Ms. Taylor, it’s an enforcement detail and the Police are obligated to do that.

Ms. Taylor: Since when? It wasn’t there when the bank was there.

Mr. Judge I understand your point.

Ms. Taylor: I just saying and I can’t stress this enough. It’s not that he’s not deserving but that can be eliminated. I’m sorry. That’s all I’m saying.

Mr. Judge: I understand your point and you’re entitled to that position.

Ms. Taylor: It could be going towards other things in our community and my ward considering the other wards that are represented here, we are considered the lower ward. So, I just think that as a resident…..

Mr. Judge: I disagree with that statement.

Ms. Taylor: I’m sorry but……

Mr. Judge: We’re having differences of opinion and that’s OK.

Ms. Coles: I think she means in terms of socioeconomic level that it’s on the lower scale.

Mr. Judge: Thank you for that explanation.
Ms. Taylor: I just think funding can be allocated somewhere else and I’m not saying that they are not deserving.

Mr. Judge: I understand your point.

Mr. Bonnett: Understood.

Mr. Siddique: Mr. President? May I? On Fridays when the Police are sitting by the Mosque for 2 hours, they are paid from the Mosque. It is not Township money.

Mr. Bonnett: Next speaker.

Mr. Blye: Good evening. Richard Blye, 274 Kent Road. You said that 2-17, you already sent the money over for Police overtime but we’re discussing it now.

Mr. Judge: No, I haven’t said……

Mr. Blye: I’m asking. You said you already sent money over?

Mr. Judge: There was a similar Ordinance in July where we transferred money. That money went into the Budget for Police overtime. This money has not gone over yet. It won’t go over until it is approved by Council.

Mr. Blye: And this money that hasn’t gone over yet, this is from jobs that are closed but jobs do exist.

Mayor Micozzie: Jobs were filled.

Mr. Blye: Jobs were filled.

Ms. Coles: Oh, he’s referring to and I can show you and Olivia if you are still here after the meeting, this sheet here or Siddique can show you his copy. But my understanding is that if somebody leaves a job in February and that position is not filled until maybe May or June, then that money is getting paid to no one. But meanwhile, the co-workers remaining are wearing multiple hats so that they are taking from each of those departments that lack an employee for that period of time and they’re transferring that excess to the Police Department that we owe for overtime for various cases that occurred due to the increase in crime.

Mr. Blye: That’s not what I mean.

Mr. Judge: That is what it means.

Mr. Blye: That’s not what I’m trying to understand. What I’m trying to understand is that there’s money from departments, from jobs, that are closed and you say that you have filled jobs
and that you've taken money from various departments and that the Township is doing well with collection of fines and tickets and things of that nature and so forth. So, there is over, how much did you say, $250,000 is going to the Police, correct?

Mr. Judge: Yes.

Mr. Blye: I'm still unemployed.

Mr. Bonnett: Does anyone else wish to address Council? At this time, the Public Hearing for Ordinance No. 3043 is closed. I turn this back to Councilman Wagner.

Mr. Wagner: I hereby move for the adoption of Ordinance No. 3043 and I am reminded that we need a roll call vote because it is an Ordinance.

Mr. Bonnett: We do. Mr. Secretary, will you please take a roll call vote?

Mr. Monaghan: That gives us 11 in favor and none opposed.

Mr. Bonnett: Thank you Ed. Ordinance No. 3043 is adopted.

Public Hearing for Ordinance No. 3044, an Ordinance of Upper Darby Township, Delaware County, Pennsylvania authorizing that part of certain unencumbered appropriations allocated by the Capital Budget Series 2009 be transferred from various departments and agencies to other departments and agencies within the Township and repealing all Ordinances and Resolutions inconsistent herewith.
Mr. Wagner: Mr. President, now we have the same procedure that needs to be followed for Ordinance No. 3044. I will ask the Solicitor for a brief on Ordinance No. 3044.

Solicitor: Ordinance No. 3044 is an Ordinance of Upper Darby Township, Delaware County, Pennsylvania authorizing that part of certain unencumbered appropriations allocated by the Capital Budget Series 2009 be transferred from various departments and agencies to other departments and agencies within the Township and repealing all Ordinances and Resolutions inconsistent herewith.

Mr. Judge: Mr. President, may I? Prior to the meeting a Councilperson asked me to explain why that was being transferred to the Fire Department and what would it be used for? This is leftover money in the individual department budgets so it's a housekeeping type area for the 2009 Capital Budget and we're moving it to the Fire Department to pay for a portion of a new fire truck that has just been purchased for the Drexel Hill-Garrettford Fire Company. It was their rotation where the truck would go. The truck cost almost $700,000 and this would be a portion of it that would go to that. The other would come out of the 13 Budget.

Mr. Bonnett: Thank you Tom for that explanation.

Mr. Wagner: Will the Chair please conduct a Public Hearing on Ordinance No. 3044?

Ms. Coles: I have a request. Can we just read out loud the department and the amount just so the people who have questions, they can hear what the actual amounts are?

Solicitor: The Ordinance is prepared to transfer from the Finance Department $1439, from the Mayor's Department $15,000, from Council $6568.80, Electrical $19,354, Public Works $1756.03, Parking Meters $30,000, Leisure Services $1.32 and from the Library $12,205 for a total of $86,324.82.

Some audio lost due to changing tape.

Mr. Bonnett: Thank you. We will now convene a Public Hearing on Ordinance No. 3044. If you wish to speak on this Ordinance, please come to the podium and state your name and address for the record.

Ms. Wentz: Laura Wentz, 7549 Parkview Road. You said Library? I was just curious if the Libraries themselves didn't need anything for those funds to be used to improving the Library and providing more things that the Library may need.

Mr. Wagner: Are you asking whether we needed a fire truck?

Ms. Wentz: No, I want the fire truck. I'm just saying that from the Library realm that deserves books for our community and the children.....
Mr. Judge: May I answer this? This money cannot be used to purchase books. This is Capital money and it can only be used for the maintenance or the upkeep or the major repairs to any Library building. This has been discussed with the folks at the Library and their Capital program has been approved in the 2015-16 Budget. So this money is leftover money that in and of itself the $12,000 would not meet a project that they need to get done. They have money in the other Capital Budget so they are not being hurt in any way, shape or form. This is not taking money out of it. We do a lot of in-kind services with the Library. We do not charge them for our Electrical Department to go there and fix anything and we do not charge them for Public Works to go over there and fix anything. So, this money could not be used for books.

Ms. Wentz: OK. I was just saying, library what? OK. Thank you.

Mr. Bonnett: Thank you. Does anyone else wish to comment on Ordinance No. 3044? Seeing no one else this Public Hearing is closed. I will turn this back to you Councilman Wagner for action.

Mr. Wagner: Thank you Sir. I hereby move for the adoption of Ordinance No. 3044 and once again, it would be appropriate to take a roll call vote on Ordinance No. 3044.

Mr. Bonnett: Is there a second?

Mr. Monaghan: Second.

Mr. Bonnett: Moved and seconded. All those in favor signify by saying aye. Opposed? The ayes have it. Mr. Secretary, please take a roll call vote.

Mr. Monaghan: That gives us 11 in favor and none opposed.

Mr. Bonnett: Ordinance No. 3044 is adopted.
Mr. Wagner: That concludes our report, Mr. President.

Mr. Bonnett: Thank you Tom. Does the Solicitor have any business for the Council this evening?

Solicitor: No, I do not.

Mr. Bonnett: Before we leave, I would like to remind everyone that this is the last meeting for Councilman Ed Monaghan who will at this time be retiring from his position on Council. I want to express our appreciation for your years of untiring service to the people of Upper Darby Township and particularly in your position of not only as an At-Large Council person but as Chairman of the Public Safety Committee. I know you have been one of the busier Committees through the years and we do appreciate the service that you have provided to this Township in that regard.

Mr. Monaghan: Thank you, Mr. Bonnett. I would like to make a few remarks at my last meeting please. I would like to first thank the residents of Upper Darby Township who allowed me to represent them in the past 8 years. It has truly been my honor to serve them as a Councilman. I would also like to thank my fellow members of Council whom I have had the privilege of working with over the last 8 years. Together we were able to make Upper Darby a better place to live and raise a family. I would also like to thank the Upper Darby Township Department Heads for their tireless efforts of working with Council. I would also like to thank Mr. Rick Nolan and his office for his work behind the scenes getting Council all of the information that we need on a daily basis. I would like to personally thank our CAO, Tom Judge for his guidance and knowledge and always being there with an open ear to listen when I had questions and more importantly giving me his opinions and his expertise. I would also like to thank Superintendent Chitwood along with Fire Chief Gary McAfee for their tireless efforts in running 2 of the largest departments in this Township. Next, I would like to say a special thanks to our Mayor, Tom Miccozie for all of his efforts, to always be available for Township events whether it is a parade, a store opening, or his famous Town Hall meetings. I also appreciate his tireless efforts in making Upper Darby the place it is; the re-development of the 69th Street corridor along with the many new businesses that he has helped to bring to Upper Darby under his guidance. Not only has Tom been a great leader for this Township, he has also been a true friend to me. I can’t thank him enough. Lastly, I would like to thank the late John McNichol along with my good friend, Paul McNichol, who 8 years ago provided me with the opportunity to run for office here in Upper Darby. It’s been a very rewarding 8 years and I’ve been honored to serve the people of Upper Darby. Thank you.

Audience applause.

Mr. Manfre: I’d like to add something, Mr. Chairman. I’ve known Eddie a long time. I know Pat Spellman would concur. He’s known him probably longer. Not only is Eddie recognized by his good looks and being a great athlete but what people don’t realize is what a great family man he is and that his true love is his kids. I’m telling you, you don’t meet a better guy and better
father than Ed and I know his true love is Prendie basketball and St. Joe's University basketball and I know he's going to have a lot of fun going to those games instead of looking at the clock every night at these meetings wondering when he's going to get out of here and get a chance to watch these basketball games. I'm proud to call you a friend, Ed, and I look forward to serving with Laura Wentz. I think we're going to do good things but congratulations on your retirement.

Mr. Monaghan: Thank you.

Mr. Spellman: I'd just like to add Ed that it has been a pleasure working with you the last 2 years and I'm going to miss you but I know you're my neighbor and we've done a lot together prior to getting involved with Upper Darby Township. Our friendship has been around since before Tom Wagner was born, maybe!

Laughter.

Mr. Spellman: But, I really appreciate everything you have done for us; politically, personally, family. Great neighbor, great friend. I'll miss you.

Mr. Monaghan: Thank you.

Mr. Wagner: I was just going to say that I'd join in on all of those comments, but now I'm not!

Laughter.

Ms. Keffer: I'd like to say that even though I'm an O'Hara girl and you're a Bonner boy, and I think I'm older than you by a year?

Mr. Monaghan: More than a year!

Audience laughter.

Ms. Keffer: More than a year? I was supposed to ---------and you're an outstanding Penn State football player and it's been really fun to watch you over the last couple of years since your daughters ended up playing basketball and my daughters and it's been really nice getting to know you and talking to you with the roles that we have in common. Good luck.

Mayor Micozzie: Ed, good luck and great health! Enjoy those kids.

Ms. Coles: I just want to say that it has been a pleasure serving with you over the past 4 years, Councilman Monaghan and it was nice having you as Chair of one of the Committees that I serve on. Good luck to you and your future endeavors and also welcome to Councilwoman-Elect Laura Wentz when she joins us. I hope that we all have a productive and healthy working relationship moving forward for the betterment of Upper Darby.

Mr. Judge: Is it “go Lions or go Hawks?”

Ms. Coles: And I believe that I’m still the youngest member on Council, just FYI!!

Mr. Bonnett: With that, on behalf of Upper Darby Township Council, I would like to wish everyone a Merry Christmas and Happy Holidays. A motion would be in order to adjourn.

**Adjournment**

Mr. Wagner: So moved.

Mr. Bierling: Second.

Mr. Bonnett: This meeting stands adjourned.
