Adjournment
A regular meeting of Upper Darby Township Council was held on Wednesday evening, May 16th, 2018 at 7:00 p.m. in the Council Meeting Room #202 of the Municipal Building, 100 Garrett Road, Upper Darby, Pennsylvania.

The meeting was called to order by Council President Donald P. Bonnett with the Pledge of Allegiance to the flag of the United States of America.

**Roll Call**

Donald P. Bonnett, Thomas P. Wagner, Jacob A. Bierling Jr., Sekela Coles, Robert Gwin, Barbarann Keffer, Marc Manfre, Lisa Faraglia, Sheikh Siddique, Patrick Spellman, Laura Wentz

**Present at the Meeting**

Thomas N. Micozzie, Mayor
Thomas J. Judge Jr., CAO
Kelly Sullivan, Esq., Solicitor
Scott C. Gottel, Esq., Solicitor
Richard G. Nolan, Chief Municipal Clerk

Mr. Bonnett: Thank you Jack. Ladies and gentlemen, before we get to the business of tonight’s Agenda, I would like to turn the meeting over to Councilwoman Sekela Coles to continue recognition of winners of the Black History Month Poetry Contest.

_Councilwoman Coles announced the winners of the Black History Month Poetry Contest that was held in February 2018._

**Approval of the Minutes**

Mr. Bonnett: A motion would be in order for the approval of the minutes for the Regular Meeting on April 18th, 2018.

Mr. Wagner: So moved.

Ms. Faraglia: Second.

Mr. Bonnett: It has been moved and seconded

Ms. Wentz: I have a correction. On page 17, I’m sorry 73.

Mr. Bonnett: Sorry?
Ms. Wentz: On page 73, on the section of, there was a small paragraph on what I was saying, on the last line “I would like it to end”. It really should “I’d like to add LGBTQ.” The word “end” was put in instead of “add”. There is a big difference between the two words.

Mr. Bonnett: Say that again. The word “and” was… or do you want to add the word “and?”

Ms. Wentz: The word “e-n-d” was put in instead of the word “a-d-d.”

Mr. Bonnett: Typographical. OK. We can make that correction.

Ms. Wentz: Thank you.

Mr. Bonnett: Anything else?

Ms. Wentz: Um, I was just curious about why the pages begin at page 64 versus starting the Minutes at page 1 for each set of Minutes.

Mr. Nolan: They start at page 1 in January and continue on throughout the year. Mr. Bonnett, as long as I have the floor; we use a tape recorder. My secretary works very, very hard to do these Minutes. There are people rumbling papers up here, there are people coughing and I understand that that happens. I have been the Chief Municipal Clerk since 2001 and we have never been questioned about the Minutes. I listen to them. Alexis listens to them. Sometimes we even ask Mr. Judge to come down when we have trouble hearing them. We do the very best that we can to transcribe these Minutes. We have tried our best. It is not a foolproof system as everybody knows but we do try. If there is a mistake or if something is not heard……we do try.

Mr. Bonnett: We do recognize that and think that Alexis, who is the secretary in the Council office, does an excellent job and does the best that she can. I know it does require interpretation….

Mr. Judge: Mr. President, can I at this time say that when Council gets the Minutes to read before the meeting and I know these were sent out last week for everybody to look at them, if they find a mistake, they can report it back to the Council office at that time. It can be changed before it is brought to the board for adoption. So, there are mistakes and they can be changed prior to that. So, if you picked it up when you read it a couple of days ago, if you had called the Council office, they could have changed them and put them out there beforehand.

Ms. Wentz: So according to Robert’s Rules and all of my experience with Robert’s Rules is that once you send out the Minutes to the body that is going to vote on those Minutes, you are supposed to make those corrections at that voting meeting and not via email in private before that.
Mr. Judge: They are substantial corrections, not typographical errors and I think if you check anybody who follows Robert’s Rules, you’ll understand that typographical mistakes, which this clearly is, can be changed at any time.

Ms. Wentz: There is a big difference between e-n-d and a-d-d. To end something and to add something are two very different things and I greatly appreciate all the work that you do for these Minutes and I truly understand that they are difficult to transcribe and so forth but the records of the Minutes is the record of what took place at the meeting and if it’s not accurate it is up to us to make sure it is accurate especially when it comes to what I’m actually, what I actually say. So therefore, you know, I’m following Robert’s Rules to the best of my ability.

Mr. Bonnett: I think the point is made and again....

Mr. Manfre: Just change the word......

Mr. Bonnett: That’s it. Let’s move on. This is the time.....

Ms. Coles: I’m sorry. Did we approve the Minutes?

Mr. Bonnett: I’m sorry. I beg your pardon. Thank you for reminding me. We need to vote on the Minutes. All those in favor signify by saying aye. Opposed? The ayes have it. The Minutes of the April 18th meeting are therefore approved with the noted amendment.

Public Forum

Mr. Bonnett: This is the time set aside for the public to speak for residents and taxpayers of the Township. When you hear your name come forward to the podium and state your name and address for the records and restrict your comments to five minutes. You will be given a friendly reminder at the 4-minute point. Mr. Secretary, please call the first speaker.

Mayor Micozzie

Mayor Micozzie presented two Proclamations

PROCLAMATION

WHEREAS, for 150 years, Juneteenth National Freedom Day continues to be the most recognized African-American holiday observance in the United States; Juneteenth National Freedom Day commemorates the survival, due to God given strength and determination, of African-Americans; and

WHEREAS, Juneteenth commemorates the day freedom was proclaimed to all slaves in the south by Union General Granger, on June 19, 1865, in Galveston, Texas, more than two and a half years after the signing of the Emancipation Proclamation by President Abraham Lincoln; and

WHEREAS, Americans of all colors, creeds, cultures, religions and countries-of-origin, share in a common love of and respect for “freedom” as well as a determination to protect their right to freedom through democratic institutions, by which the “tenets-of-freedom” are guaranteed and protected; and

WHEREAS, the “19th of June” or Juneteenth Independence Day, along with the “4th of July”, completes the “cycle of freedom” for America’s Independence Day observances; “Until All Are Free, None Are Free” is an often repeated maxim that can be used to highlight the significance of the end of the era of slavery in the United States; and

NOW, THEREFORE, I, Thomas N. Micozzie, Mayor of Upper Darby Township, along with Township Council, hereby proclaim June 19, 2018

JUNETEENTH DAY

in Upper Darby Township, and urge all citizens to become aware of the significance of this celebration in African-American history and in the heritage of our Nation.
Thomas N. Micozzie
Thomas N. Micozzie, Mayor
Upper Darby Township
Delaware County, Pennsylvania

PROCLAMATION

WHEREAS, this Commonwealth is home to many ethnic communities whose members have benefited from the freedom and democracy upon which our nation was founded; and

WHEREAS, ongoing issues of bigotry, hatred and intolerance have led to terrorism and atrocities in the United States and worldwide; and

WHEREAS, it is important to look at history to learn valuable lessons from which our society and others can benefit, and

WHEREAS, in what is considered to be the first mass genocide of the 20th century, 350,000 Greeks, Armenians and Assyrians living in Pontus were killed or displaced by the Ottoman Turks during the period 1915 through 1928, and

WHEREAS, we solemnly recognize and remember the victims of this devastation in the hope that those memories bolster our collective conscience and that of people throughout the world; and

WHEREAS, it is fitting to emphasize the importance of all civilized nations remaining vigilant against tyranny to ensure that such atrocities will never again be committed or accepted, and

WHEREAS, it is believed by many the acknowledgment and awareness of this shameful event will help prevent such crimes from being repeated; and

WHEREAS, it is important to instill in all mankind, particularly our youth, a universal respect for other cultures, races, religions and viewpoints; and

NOW, THEREFORE, I, Thomas N. Micozzie, Mayor of Upper Darby Township, along with Township Council, hereby proclaim May 19, 2018

PONTIAN GREEK GENOCIDE DAY

in Upper Darby Township, and urge all citizens share in the solemn commemoration of the Pontian Genocide of 1915 – 1923 and join with the Greek-American community and its many
religious and philanthropic organizations, to honor the sacrifices of those who died or suffered during this terrible period in history, and

**Appointments**

Mayor Micozzie: I recommend the appointment of John McMullan to fill the vacancy of the Director of the Finance Department. I recommend that John will continue to serve in his current capacity as Director of Leisure Services. We will be moving the Parks Department, and we have done that already administratively, to the department of Public Works.

Ms. Keffer: I have a question about that.

Mr. Bonnett: Before you do that, let’s get a motion made and seconded and then I’ll open it up to comment. Members of Council, a vote would be in order for the approval of the appointment of John McMullan to serve as Director of the Finance Department.

Mr. Wagner: So moved.

Mr. Bierling: Second.

Mr. Bonnett: Barbarann?

Ms. Keffer: Well, I mean with this change, the Leisure Services Department changes because the Parks Department is being moved from Leisure Services to Public Works, is that right?

Mayor Micozzie: I didn’t follow the whole thing. Parks Department has two operations; Leisure Services which handles the Senior Centers and programmatic side of the Performing Arts and all the permitting in conjunction with the School District and then there is the Operations Side which is cutting grass and maintaining the Parks and Recreation, snow removal. That portion of the operations will be transferred, which is an initiative which I tried since 2009, to the Public Works Department for combining with the Public Works Department.

Ms. Keffer: But, according to the Home Rule Charter, any changes or amendments to the different departments have to be voted on by Ordinance.

Mr. Bonnett: The departments aren’t changing.
Ms. Keffer: But the duties which are in the departments, which are outlined in the Administrative Code, that’s changing.....

Mr. Judge: To move individuals around in departments, in my opinion, is inherent management rights, not that of a....

Mr. Bonnett: We’re changing the staffing. We’re not changing the operational aspect.

Mr. Judge: Right.

Ms. Keffer: But the Administrative Code has the different departments in it and it says what they are in change of. So, you’re changing the Code and you have to change it by Ordinance.

Mr. Bonnett: We’re not changing the departments. It’s money we’re saving. The departments still exist. We’re not changing them. Right?

Mr. Judge: Right.

Ms. Wentz: But, you’re changing where they’re being controlled from. I mean if it’s part of Leisure Services and Parks are together at the moment, but then you move Parks to Public Works.......

Mr. Bonnett: We’re moving people.

Ms. Wentz: Right but the action of what they’re covering is the Parks, right? And so then they’re moving to Public Works which means they’re moving departments which means we would need an Ordinance to change the....

Mr. Bonnett: No, no. None of the services change.

Ms. Wentz: They are changing.

Mr. Bonnett: No, they’re not changing.

Mr. Gwin: The responsibility of the department’s -------is changing. That’s what she’s asking. Can we ----the Council?

Mr. Bonnett: It’s my understanding that the purpose of those departments remains the same; The function of those departments remain the same. The staffing, where the staff is located, is changing. But, the purpose of each department remains the same. We’re not changing anything, are we Tom?

Mr. Judge: No.
Ms. Keffer: So you’re saying that you’re not amending the Administrative Code with this?

Mr. Bonnett: We are not amending the Administrative Code.

Ms. Keffer: So, It’s Article VII, Section 701.1 that I’m referring to. But, I have one question...

Solicitor: Councilwoman Keffer is correct in that if you were amending the Administrative Code which is an Ordinance, then it must be amended by Ordinance. But, you are not amending the Administrative Code which sets out your departments. All of the departments remain. You’re just re-assigning duties.

Mr. Manfre: The Maintenance Department comes under the Leisure Services Committee, the Park Committee. The Maintenance area of the Parks Department is going to be managed by the Public Works Department, the Director. So, Dan Lutz is now going to be responsible for the maintenance of the Parks Department.

Mr. Wagner: And, that is not requiring any amendment to the Administrative Code.

Mr. Bonnett: As I see it, it’s an efficiency move. It hopefully will save money in the long-term operationally because it’s more efficient.

Mr. Manfre: And John, if I get this correct, is going to still be the Recreational Director and handle all active recreation programs within the Township.

Mayor Micozzie: I had a conversation with the President of the School Board and so everyone understands, there is a contract that goes between Upper Darby Township with shared services...

Mr. Manfre: I’m just talking about the Township.

Mayor Micozzie: I just want to be clear so everyone understands. That contract was enforced and we have a joint program between the School District and the Township and John will administer that program and we will have -------------. Dan Lutz will handle Parks, Sewer, Trash, Paint & Signs. There are multiple functions that the Departments handle. The Fire Department handles inspections and also firefighting. It also handles fire administration. The Police Department handles a multitude of things. We have the right to assign duties as we see fit.

Solicitor: And if I may, under the Administrative Code, Section 501, sets out the departments and the departments are all going to remain. There will still be a department of Leisure Services and there will still be a department of Public Works. There will also be a department of Finance. All of those departments are remaining. Under 503, the duties of the departments, Department Heads under the direction of the Mayor and the CAO shall ----and then there’s all of their duties so the Mayor might be re-assigning who is responsible for those duties but that doesn’t require an Ordinance under the Administrative Code because you are not changing the departments.
Ms. Keffer: So also, it sounds like John McMullan is going to have a job and a half, right? The Finance Director is a full-time job, right?

Mayor Micozzie: John McMullan will have....Tom Judge has multiple duties. He has a full-time job to administer with the Mayor as Chief Administrator Officer’s assignments which is finance, budget and a whole litany of things.

Mr. Judge: We’ve done this before when we took the Director of Health and made one department, not department, the departments are separate but we made one Director of Administrative Services and Health. We’ve done that before and it has operated very well. What we’re trying to do is be efficient in moving forward. When you look at the work load and you look at what people have, as you can change them you try to be more efficient in moving forward. That’s what we’re trying to do.

Mr. Bonnett: There are a great number of similarities in what the department of Public Works does and what Parks Department does and when you put them together it would seem that they do it more effectively and efficiently.

Mayor Micozzie: It’s one step towards more efficient government.

Mr. Wagner: I would like to point out too that these are adjustments that happen in the private sector every day of the week.

Ms. Faraglia: They’re downsizing....

Ms. Keffer: We’re accountable to taxpayers and I’m just asking questions.

Mr. Wagner: What’s the real problem? Are you against this? Is that what you’re saying?

Ms. Keffer: I just have questions about it.

Mr. Bonnett: Any other comments before we move on?

Ms. Wentz: I did have some questions. Just for clarification since there has been some talk on it’ll save us money. What is the salary for the position as Finance Department Director?

Mayor Micozzie: The Finance Director will make $139,750.00.

Ms. Wentz: $139,000.00?

Mayor Micozzie: $750.00

Ms. Wentz: And what does he make as Leisure Services from the Township?
Mr. Judge: It's $114,736.00 so the combination savings is saving the Township $99,000.00.

Ms. Wentz: So what would he, so I, what’s his salary? What would the salary be now?

Mayor Micozzie: $139,750.00.

Ms. Wentz: Gotcha.

Mr. Judge: Your question should be; what was the former Director of Finance’s salary?

Ms. Wentz: Thank you.

Mr. Judge: Then, what is the new Director’s? That’s the question that should be posed. Is that what you’re looking for?

Ms. Wentz: Yes. Thank you.

Mr. Judge: The Director before was making $134,300.00.

Ms. Coles: I have a question Tom. So, prior to this the Director of Finance, $134K a year and the Director of Leisure Services, $114K a year.

Mr. Judge: That is correct.

Ms. Coles: So now you are giving John McMullan additional work and it will be one salary of $139K a year.

Mr. Judge: Right, but we are also taking work away from him.

Ms. Coles: OK, so 134 and 114, that is $248K a year. So, instead of $248K a year, they had 2 people in those roles. With this movement, you will be spending $139K a year with him in this dual role? I think there might be some confusion that some people were under the impression that he would collect 2 salaries.

Mr. Judge: No ma’am. That is incorrect.

Ms. Coles: No, I’m saying that I think there are some people who think that so I want to clarify because I don’t think everybody is following that.

Ms. Wentz: So, also to clarify, so part of that $139,750, that’s only what’s coming from the Township? Is there still money coming in from the School District or is that including the money from the School District?
Mr. Judge: That would include the money from the School District because he is not changing his responsibilities with the School District.

Ms. Wentz: OK, great. Thank you.

Ms. Coles: So, you’re proposing saving $99,000.00 a year off of the budget.

Mr. Judge: That’s the hope, that we’re saving $99,000.00.

Mr. Bonnett: Bob, you had a comment?

Mr. Gwin: A point for clarification, will he be assuming any of the former responsibilities that had been assigned to the Treasurer under this?

Mr. Judge: No, wait a second, time out. The Treasurer’s duties are not changed. Just like we had a Director of Finance on April 1st we have a Director of Finance after this is done. We have a Treasurer on April 1st. We have a Treasurer on May 1st and those duties don’t change. To change the duties of the Treasurer would have to be an Ordinance and maybe even a referendum.

Mr. Bonnett: OK. One more time, anybody else?

Ms. Keffer: I just want to say that I’m not sure that this is the right message that we want to send taxpayers after we had the large theft of all the money from the tax office. To me it still looks like John has a job and a half...

Mr. Bonnett: I don’t see the correlation in that whatsoever.

Ms. Keffer: I do! I think maybe we need a strong...

Mr. Bonnett: You’re opposing efficiency! You’re opposing saving money. That’s $100,000.00 per year in round figures that we’re saving.

Ms. Keffer: That’s how you’re phrasing it. Well, who’s training John? Is John just stepping in to do that or is Mr. Smith helping him?

Mayor Micozzie: If you look at his resume, John is an experienced manager with 12 years of experience with the Township, dedicated service, exemplary record and he ran a Township!

Ms. Keffer: So, you didn’t send this job out?

Mayor Micozzie: I did not. The responsibility of the Department Heads under my responsibility comes under the Mayor. I have to have the trust in the person. I’m the one who has to work with him every day. OK? We have an experienced person with demonstrated experience who also meets the goals of myself and my Administration of always trying to streamline this
Township. So, I have an opportunity to streamline the Township, save $100,000.00 and appoint somebody that I can trust in that position. We had an issue. We deal with the issue. That issue could happen no matter who goes in there. It happened. We’re taking care of that. That’s our responsibility and we turned it over to the District Attorney and when the results come out, you’ll be the first to know about it. But, as far as John McMullan goes, his reputation, his experience and his dedication to this Township is impeccable. I have to put my name on that. I’m the one who is responsible for it. I put my name on John McMullan to have that position. I put it before Council. That’s what the Charter says I have to do.

Ms. Keffer: OK.

Mr. Bonnett: All right. We’re going to take a vote on this.

Ms. Coles: I’m sorry. I just have one more question. So, this $99,000.00 a year, this will be reflected in the 2018 budget, the savings of the $99,000.00.

Mr. Judge: Well, it all won’t because you have to understand, we still have to pay out vacation and sick time to the former Director of Finance. So, while we’re not incurring additional costs and that will come out of the 99, it would be reflected entirely in the 2019 budget.

Ms. Coles: OK because I want to make sure that everyone understands that this is something that is reducing the budget. Granted our budget is massive but this is reducing it by $99,000.00.

Mr. Judge: It will reduce it by something very close to $99,000.00.

Ms. Coles: I just wanted to clarify that.

Mayor Micozzie: We’ve already spent half of it so it’s really half. Come July 1st, it’s only half.

Mr. Judge: Right.

Ms. Coles: But for January 1, 2019, it should be $99,000.00.

Mr. Judge: It should reflect that. That is correct.

Mr. Bonnett: All right. Motion has been made and seconded for John McMullan to serve as Director to the Finance Department. All those in favor signify by saying aye.

Ms. Keffer: Can we have a voice vote please?

Mr. Bonnett: Pardon?

Ms. Keffer: Can we have a roll call vote or voice vote?
Mr. Bonnett: We will have a roll call vote. Those of you who are in favor say “aye” and those of you who are opposed say “no.” Will you please call the roll?

Mr. Bierling: That gives us 9 in favor and 2 opposed.

Mr. Bonnett. The motion therefore passes. Mr. Mayor, anything else?

Mayor Micozzie: That’s it.

Mr. Bonnett: OK. At this time, we will move on to the Committee Reports now beginning with the Finance and Appropriations Committee, Councilman Wagner please.

Committee Reports

Finance and Appropriations Committee
Thomas P. Wagner, Chairman

Mr. Wagner: Thank you, Mr. Bonnett. Speaking of the subject of trying to save the Township money, we have 4 tax appeals to deal with and for the benefit of the members of the public who are still here, it sounds boring but they are Resolutions intended to resolve or settle claims regarding appeals of tax assessments. Will the Solicitor please give us a brief on Resolution No. 16-18, 17-18, 18-18 and 19-18 after which we will act on them collectively?

Resolution No. 16-18, the tax appeal of 201 Long Lane LLC, Upper Darby Township, PA 19082. Tax Folio No: 16-03-00993-00
Solicitor: Thank you, Councilman Wagner. Resolution No. 16-18 is the tax appeal of 201 Long Lane LLC, Upper Darby Township, PA 19082. Tax Folio No: 16-03-00993-00. The current assessment in this matter is $359,280.00. The requested resolution is for an assessment of $146,640.00.

Mr. Bierling: Thank you Jack. Does the Solicitor have any business this evening?

Solicitor: I have nothing.

Ms. Coles: Councilman Bonnett, I just want to make sure that every Council member is aware of the fact that you have a copy of the Shade Tree Ordinance in your folder. We have been hearing a lot about issues with trees since the January meeting as Mrs. Bradley pointed out and I think it would be good if every member of Council, not just individual Committees, actually reviews this information. If you know you’re not going to look at it, when you get home if you would not mind, as the note on it says to save the trees and leave it in your folder for the next time that you are here. In addition to the Shade Tree Ordinance, Tom Judge also provided copies of the Property Maintenance Ordinance No. 2919, 2992 and 1996 which are important as we are hearing about issues of other people’s trees and limbs impacting on neighbor’s properties. So, if you get time, please review it. If you know you’re not going to review it, again, if you could please leave it in your folder.

Mr. Bonnett: All right. A motion would be in order for adjournment.

**Adjournment**

Mr. Bierling: So moved.

Mr. Wagner: Seconded.

Mr. Bonnett: This meeting stands adjourned.
Respectfully submitted,

Land development: Construct 20,675 sq. ft. of retail

UTILITIES: Public

RECOMMENDATIONS: Subdivision: Approval

Land development: Approval, with consideration given to staff comments

STAFF REVIEW BY: Michael A. Leventry
REMARKS:

PREVIOUS ACTION

A plan for the site was last reviewed by the Delaware County Planning Commission at its meeting on July 16, 2009, as a land development. The applicant proposed to further develop 6.977 acres with additional parking. The Planning Commission recommended approval.

CURRENT PROPOSAL

The applicant currently proposes to demolish three commercial buildings in order to construct a Wawa convenience store and build an addition to a remaining commercial structure.

SITE CHARACTERISTICS

The site is located along a commercial corridor, but bounded from behind by residential development.

APPLICABLE ZONING

The proposal is located within the C-2 Commercial district and is subject to applicable regulations set forth in the Township’s zoning code.

NONCONFORMITIES

The proposal for the site does not appear to comply with the zoning regulations established in the Township zoning code. It should be noted that variances were approved by the Upper Darby Zoning Hearing Board for the above listed items on November 26, 2017.

Where Section 503-F requires decorative paving for crosswalks, the applicant has received relief from this requirement.
REMARKS (continued):

Where Section 801-A requires 188 spaces for the proposed retail, the applicant is seeking to provide only 178.

Where Section 801-D requires interior landscaping for parking lots exceeding 50 spaces, the applicant received a waiver from this requirement.

Where Section 801-D prohibits concrete sidewalks within the front buffer of the site, the applicant requested relief from this requirement and was given approval to locate a sidewalk within said area.

Where Section 801-D requires parking lot interconnectivity of neighboring commercial uses, the applicant received a waiver due to slope constraints.

Where Section 503-F requires gas pumps be set back 50' from the right-of-way, the applicant received relief to locate pumps approximately 48' from the right-of-way.

Where Section 503-F requires that refuse areas be located at least 50' from residential properties, the applicant received relief to locate a dumpster enclosure 20' from a residential property.

Where Section 801-D requires a 10' wide planting strip between neighboring residential properties, the applicant received relief to provide an 8.8' wide planting strip.

Where Section 801-D requires that service and loading areas not be visible from the street, the applicant received a waiver from this requirement.

Where Section 802-G requires that loading areas not be visible from the street, the applicant received a waiver from this requirement.
Date: April 19, 2018
File No.: 47-755-77-09-18

REMARKS (continued):

COMPLIANCE

The proposal appears to comply with the C-2 district zoning with variances granted.

WAIVERS

The applicant is seeking waiver relief for the following:

- Section 805.A.2: To allow a driveway within 200’ of an intersection.
- Section 805.A.3: For a driveway to exceed a 4% grade within the right-of-way.
- Section 805.C.4: To forego a requirement designing egress to accommodate a queue minimum of three cars. Consideration should be given to providing an additional right-turn egress lane for Wawa’s Baltimore Avenue access point.

Staff has no other comments related to these waiver requests.

SITE DESIGN

While not required by ordinance, consideration should be given for the installation of trash receptacles at pedestrian access points at the perimeter of the Wawa parcel. This will help mitigate litter impacts on the adjacent neighborhood.

SEWAGE FACILITIES

The developer should contact the Pennsylvania Department of Environmental Protection regarding the need for sewage facilities planning approval.
REMARKS (continued):

The Township should confirm receipt of any necessary Pennsylvania Department of Environmental Protection planning approval prior to final approval.

STORMWATER MANAGEMENT

The Township Engineer must verify the adequacy of all proposed stormwater management facilities.

TRANSPORTATION COMMENTS

Pedestrian access to the proposed store is satisfactory except for pedestrians walking from the west along Baltimore Pike. Rather than requiring pedestrians to walk in the Wawa driveway with motor vehicles, a short section of sidewalk should be constructed adjacent to the driveway to connect with the Baltimore Pike sidewalk.

The applicant should provide bicycle parking near the store’s doors for those employees and customers who live within bicycling distance. This would also allow fewer motor vehicle parking spaces to be provided. Bicycle parking, such as inverted "U" bike docks, should be installed; these secure bicycles by their frame, rather than just their wheels.

The Township and applicant should install a shelter for bus riders at the stop along Baltimore Pike. This would provide security and weather protection for riders and advertising revenue for the Township.

RECORDING

In accordance with Section 513(a) of the Pennsylvania Municipalities Planning Code (MPC), final plans must be recorded within ninety (90) days of municipal approval.

Where Section 801-D prohibits concrete sidewalks within the front buffer of the site, the applicant requested relief from this requirement and was given approval to locate a sidewalk within said area.

Where Section 801-D requires parking lot interconnectivity of neighboring commercial uses, the applicant received a waiver due to slope constraints.

Where Section 503-F requires gas pumps be set back 50’ from the right-of-way, the applicant received relief to locate pumps approximately 48’ from the right-of-way.

Where Section 503-F requires that refuse areas be located at least 50’ from residential properties, the applicant received relief to locate a dumpster enclosure 20’ from a residential property.

Where Section 801-D requires a 10’ wide planting strip between neighboring residential properties, the applicant received relief to provide an 8.8’ wide planting strip.

Where Section 801-D requires that service and loading areas not be visible from the street, the applicant received a waiver from this requirement.

Where Section 802-G requires that loading areas not be visible from the street, the applicant received a waiver from this requirement.
REMARDS (continued):

COMPLIANCE

The proposal appears to comply with the C-2 district zoning with variances granted.

WAIVERS

The applicant is seeking waiver relief for the following:

- Section 805.A.2: To allow a driveway within 200' of an intersection.
- Section 805.A.3: For a driveway to exceed a 4% grade within the right-of-way.
- Section 805.C.4: To forego a requirement designing egress to accommodate a queue minimum of three cars. Consideration should be given to providing an additional right-turn egress lane for Wawa's Baltimore Avenue access point.

Staff has no other comments related to these waiver requests.

SITE DESIGN

While not required by ordinance, consideration should be given for the installation of trash receptacles at pedestrian access points at the perimeter of the Wawa parcel. This will help mitigate litter impacts on the adjacent neighborhood.

SEWAGE FACILITIES

The developer should contact the Pennsylvania Department of Environmental Protection regarding the need for sewage facilities planning approval.
REMARKS (continued):

The Township should confirm receipt of any necessary Pennsylvania Department of Environmental Protection planning approval prior to final approval.

STORMWATER MANAGEMENT

The Township Engineer must verify the adequacy of all proposed stormwater management facilities.

TRANSPORTATION COMMENTS

Pedestrian access to the proposed store is satisfactory except for pedestrians walking from the west along Baltimore Pike. Rather than requiring pedestrians to walk in the Wawa driveway with motor vehicles, a short section of sidewalk should be constructed adjacent to the driveway to connect with the Baltimore Pike sidewalk.

The applicant should provide bicycle parking near the store’s doors for those employees and customers who live within bicycling distance. This would also allow fewer motor vehicle parking spaces to be provided. Bicycle parking, such as inverted “U” bike docks, should be installed; these secure bicycles by their frame, rather than just their wheels.

The Township and applicant should install a shelter for bus riders at the stop along Baltimore Pike. This would provide security and weather protection for riders and advertising revenue for the Township.

RECORDING

In accordance with Section 513(a) of the Pennsylvania Municipalities Planning Code (MPC), final plans must be recorded within ninety (90) days of municipal approval.
