

PUBLIC NOTICE

**UPPER DARBY TOWNSHIP REQUEST FOR QUALIFICATIONS
FOR
ENERGY CONSERVATION MEASURES THROUGH A GUARANTEED ENERGY SAVING CONTRACT**

Upper Darby Township is interested in contracting for energy services and energy-related improvements ("energy conservation measures" or "ECMs"), financed through a guaranteed energy savings contract. The ECMs may include but are not limited to: an investment grade energy audit; the design, acquisition, installation, modification, maintenance and training in the operation of existing and new equipment, which will reduce energy consumption and related costs associated with the Township's street lighting systems, buildings and/or other energy based retrofits as well as for savings which would not reduce consumption per se but are aimed at cost savings, such as demand reductions, utility bill auditing, utility rate changes, distribution upgrades etc. Final ECMs may also include the training of facility staff with respect to routine maintenance and operation of all improvements. ECMs must result in a guaranteed minimum energy and operational savings with the ESCO payments linked to actual documented energy and cost reductions. Any stipulated energy and/or operational cost savings that may be attributed to this project will be rigorously reviewed and, if agreed to, will be limited to those that can be thoroughly documented and verified by the ESCO and approved by the Upper Darby Township.

Interested parties may obtain a full copy of the Request for Qualifications (RFQ) Proposal from the Director of Public Works and Township Engineer Room 301, Municipal Building, 100 Garrett Road, Upper Darby, Pennsylvania, 19082.

All proposals must be addressed and delivered to the Office of the Mayor, Room 209, Municipal Building, 100 Garrett Road, Upper Darby, Pennsylvania 19082, before 11:30 A.M. (EST) on Wednesday April 27, 2016 and marked on the outside:

RFQ – UPPER DARBY TOWNSHIP – ENERGY CONSERVATION MEASURES

Thomas N. Micozzie, Mayor
Upper Darby Township
