UPPER DARBY RECYCLES

Residential Recycling Schedule

January 2024

Dear Upper Darby Community,

It was an honor to be sworn in as your Mayor on January 2nd. My goal is to work to improve our lives in many ways. My 8 areas of focus include: Public Safety, Fiscal Management, Diversity & Inclusion, Ethics Accountability & Transparency, Senior & Veteran Services, Youth & Young Adult Services & Activities, and Education.

My Administration will seek the public’s opinion and input as we work with Council to improve the lives of Upper Darby residents in every way possible. We won’t be perfect but we will work tirelessly to get it right and always be accountable for decisions and actions we take. I humbly ask for your patience and positivity as we work to help Upper Darby realize its full potential.

If you are interested in getting involved and being part of the solution, please be sure to sign up for the Township’s E-News at www.upperdarby.org/newsletters. Updates and information on how to get involved will be sent through our Monthly E-News.

Sincerely,

Edward Brown
 Edward Brown, Mayor

Regular Household Trash consists of garbage, rubbish and trash waste material generated in private homes or apartment buildings with less than five units. The following items may also be acceptable for Regular Collection, if properly prepared for pick-up:

Mattresses/Box springs: Put out with your regular trash, but limited to only one (1) each per collection. Mattresses/box springs cannot be rain soaked and **MUST be placed in a sealable clear plastic or vinyl mattress bag**. Mattress disposal bags are sold at most major retailers and home improvement stores, such as Home Depot, Lowe's, and Amazon.com.

Grass Clippings: Place all grass clippings in a bag in the trash can, not loose in the can.

Carpeting: Carpeting must be cut down to 3 feet in length, rolled up, and tied in a bundle. Each bundle should not exceed 40 lbs. and cannot be rain soaked.

Branches: Branches must be cut down to 3 feet in length and tied in a bundle. Each bundle should not exceed 40 lbs. Branches should not be greater than 4 inches in diameter.

Large Glass Items or Broken Glass: Any large glass items, such as glass table tops and mirrors, should be broken down and placed in a sealed box. To prevent serious injuries, please do not place any broken glass in trash bags.

Paint: Latex Paint (water based): Remove the lid from can and the paint must be completely dried out. Use kitty litter or a "paint dry" product if needed. Oil-based paint is a hazardous waste and is not acceptable. Check the next page of this newsletter for the date and location for hazardous waste drop-off.

Couches & Small Furniture Items: Small tables, chairs, couches, and televisions will be picked up with your regular trash but are limited to only one (1) furniture item per trash collection.

Collection Time: Trash must be set out for pick-up no later than 7:00 A.M. on your scheduled trash day. Cans must be removed from the trash line no later than 6:00 P.M.

Trash Can Size: Trash cans must not exceed 32 gallons in size and should not have permanently attached lids. Any cans larger than 32 gallons or cans with attached lids may not be completely emptied due to the can size or attached lids.

Weight limit: The combined weight of a trash can and the trash must not exceed 40lbs. This includes days when there is excessive amount of rain and the can fills with water. (It is helpful to punch drainage holes in the bottom of your trash can.)
The allowable total combined weight per household pick-up is 200lbs.

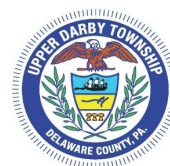

RECYCLING: WHEN IN DOUBT, THROW IT OUT!
