Read the following Information. Initial the boxes indicating you have read and understand the following information.

After all required information is submitted to the Township, the zoning relief request will be advertised in the local newspaper. Applications must be submitted to the Township roughly five (5) weeks before the zoning hearing takes place so that the public advertising requirements are met. Zoning Hearing Board meetings are held on the last Thursday of each month except for holidays. Check with the Department of L&I to confirm the hearing date.

At least fifteen (15) days before the hearing date, pick up posters advertising zoning relief request from the Department of L&I. Posters must be posted in a visible place on the property for two (2) weeks before the hearing. If the poster(s) is destroyed or defaced during this time, contact the L&I Department for a new poster. Photographs must be taken of the poster(s) on the property to prove that the property was posted properly. These photographs must be brought to the hearing.

The Zoning Hearing Board will begin hearing cases at 7:00 P.M. through **Zoom**. Zoom information will be provided to you via email. The applicant should have all information ready to present their case to the board at this time. Cases are heard in the order in which applications were received with the L&I Department. Corporations applying for zoning relief must have legal representation with them at the hearing.

If zoning relief is granted, the applicant must reapply for all use and occupancy and/or building permits with the L&I Department within twelve (12) months of the zoning approval date.
