MONTHLY NEWS

Official Newsletter of Upper Darby, PA

From the Desk of Mayor Keffer:

Dear Community,

Happy New Year Upper Darby! Please keep an eye out in your mailboxes for our 2023 bi-annual trash and recycling newsletter which will be arriving in the coming days. The newsletter contains important information on our holiday trash schedules, recycling guidelines, and many exciting upcoming events you won't want to miss!

In our newsletter you will also see our 2022 year in review. So many amazing things were accomplished in our community over the past year. I'd like to acknowledge the hard work done by all our township staff to help reform, revitalize, and reinvest in Upper Darby!

DID YOU KNOW?

Christmas Tree pick up is back this year! In order to keep trees out of the trash stream, our public works staff will collect trees on your normal recycling day from January 9-13th. These trees will then be mulched and used in our stream bank restoration program by the Swedish Cabin. Thank you for doing your part to help the environment in our community.
